

Town of East Bridgewater

ANNUAL REPORT 1985

Cover Photograph

"Tan Bark Mill Stone"

About 1700, Experience Mitchell and his son, Ensign Edward Mitchell, came to Joppa and established a tannery on the banks of the Matfield River, then called John's River.

This Tannery, to which men from all over Plymouth County brought hides to be tanned, was a thriving industry which influenced the establishment of shoe factories in Joppa.

The Tan Bark Mill Stone, which ground the oak bark finely for use in tanning leather, is located on land next to the former Elmwood Fire Station. This land, with the lot at the corner of Bedford and West Streets is the area which the Historical Commission proposes to have set aside to be known as "Joppa Green."

Elaine S. Powers, Town Clerk

Special Town Meeting

Commonwealth of Massachusetts

January 7, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the Selectmen's Office on Monday, January 7, 1985, under a warrant issued by the Selectmen and dated November 26, 1984. Checking voters at the entrance to the Selectmen's Office was Jeannette T. Arruda. There were twenty-five voters present, six in Pre. I, eight in Pre. II and eleven in Pre. III.

Moderator Philip E. Carey called the meeting to order at 8:00 p.m. Town Clerk Elaine S. Powers read the Opening and Return of Service of the warrant.

The following action was taken:

Article 1: Voted to transfer the sum of \$5,000.00 from the Overlay Surplus Account to Line Item #272—Town Insurance, for a total Line Item of \$142,029.--.

Article 2: Voted to transfer the sum of \$5,000.00 from the Overlay Surplus Account to Line Item #39—Town Counsel Expense, for a total Line Item of \$19,000.--.

Article 3: Voted to transfer the sum of \$6,000.00 from Available Funds to Line Item #79—Police Department Cruiser Expense, for a total Line Item of \$11,000.--.

Article 4: Voted to transfer the sum of \$4,006.51 from Available Funds to pay for medical expenses incurred by a police officer injured in the line of duty.

Article 5: Voted to transfer the sum of \$67.50 from the Police Reimbursement Account to Line Item #80—Police Department Office Expense.

Article 6: Voted to transfer the sum of \$7,000.00 from Available Funds to Line Item #331—Temporary Loan Interest.

The meeting was adjourned at 8:00 p.m.

A true copy of record,

Attest:

Elaine S. Powers, *Town Clerk*

Certified Municipal Clerk

Special Town Meeting

Commonwealth of Massachusetts

January 7, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the East Bridgewater High School, Michael J. McCarthy Auditorium on Monday, January 7, 1985, under a warrant issued by the Selectmen and dated December 17, 1984. Checking voters into the Auditorium were Helen R. Thorndike, H. Virginia Clarity and Jeannette T. Arruda. There were 379 voters present, 159 in Pre. I, 83 in Pre. II and 137 in Pre. III. Recording the meeting for the Town Clerk were East Bridgewater High School students John Dupuis, Walter Larsen and David Hart. Tellers sworn to duty by Town Clerk Elaine S. Powers were Howard Wilbur, Richard Bachman, Robert Simpson, Herbert West, Larry Davidson and Roy Gardner.

Moderator Philip E. Carey called the meeting to order at 8:40 p.m. Town Clerk Elaine S. Powers read the Opening and Return of Service of the Warrant.

The following action was taken:

Article 1: Voted to ratify and approve, and/or authorize the Board of Selectmen to enter into, an agreement with Northern Disposal, Inc. the effect of which is to, (1) make possible the expanded use of the Thatcher Street sanitary landfill site for a period limited to 5 years from the date of start-up, (2) lead to the settlement of the litigation between the Town and Northern Disposal, (3) provide for the establishment of a road maintenance fund, (4) provide for the collection and disposal of residential refuse for a period of up to 5 years, and (5) provide for other miscellaneous arrangements between the Town and Northern Disposal. Hand count taken Yes—213 No—113

The meeting was adjourned at 10:25 p.m.

A true copy of record,
Attest:

Certified Municipal Clerk

Special Town Meeting

Commonwealth of Massachusetts

April 13, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the East Bridgewater High School, Michael J. McCarthy Auditorium on Saturday, April 13, 1985, under a warrant issued by the Selectmen and dated March 25, 1985.

Colors were presented by Wayne Johnson, P.C. and William Moorer, P.C. of Post #91 of the American Legion. The Invocation was given by Henry B. Belcher of Silver Lake Chapel, Plympton. Recording the meeting were Walter Larsen, Michael McLaughlin, Brian Mazzoli and Thomas Scott of East Bridgewater High School. Tellers appointed by Moderator Philip E. Carey and sworn to duty by Town Clerk Elaine S. Powers, were Lois Nelson, Alicia Boucher, Paul Garabedian, David Rossman and Albert Mondeau. Checking voters into the Auditorium were Helen R. Thorndike, H. Virginia Clarity, and Jeannette T. Arruda. There was a total of 212 voters present, 53 in Precinct I, 59 in Precinct II, and 100 in Precinct III.

The meeting was called to order at 9:45 a.m. by Moderator, Philip E. Carey, who also welcomed guests, Superintendent of Schools, Gordon Mitchell and Karen Handmaker, Program Manager, State Department of Revenue, Div. of Local Services. Town Clerk, Elaine S. Powers read the Opening of the Warrant and the Return of Service.

The following action was taken:

Article 1: Voted to close out the balance of Loan Authorized and Unissued, in the amount of \$469.00, of Article #27 of the Annual Town Meeting 1982, which authorized the Treasurer to borrow \$185,469.00 under General Laws, Chapter 44, Section 7 (5), for the construction of Winter Street, from the Brockton line to the intersection of Summer Street.

Article 2: Voted to transfer the sum of \$469.00 from the Overlay Surplus Account to Article #27 of the Annual Town Meeting 1982, for construction of Winter Street, from the Brockton line to the intersection of Summer Street.

Article 3: Voted to transfer the sum of \$300.00 from the Overlay Surplus Account to Line Item #272—Town Insurance, for a total Line Item of \$142,329.00.

Article 4: Voted to transfer the sum of \$5,000.00 from Available Funds to Line Item #39—Town Counsel Expense, for a total Line Item of \$24,000.00.

Article 5: To see if the Town will vote to rescind Article #38 of the Annual Town Meeting held April 4, 1983, which authorized the Treasurer to borrow \$225,000.00, under General Laws, Chapter 44 as amended, for the construction of water mains and appurtenances on Central Street from the existing stub near Church Street to Memorial Road, or take any action relative thereto.

NOT A VOTE

Article 6: Voted to transfer the sum of \$1,000.00 from the Overlay Surplus Account to Line Item #75—Police on Job Injury Expense.

Article 7: Voted to transfer the sum of \$1,000.00 from the Overlay Surplus Account to Line Item #206—Highway Department Traffic Signals, for a total Line Item of \$4,700.00.

"except by sod farms permitted by Paragraph (4) of this section."

and adding to Section 5h. a new paragraph (4) as follows:

"(4) A sod farm is defined as a business of raising grass sod for removal and replanting on another site, not in this town, for landscaping projects. The Board of Appeals may grant a special permit for the operation of a sod farm in any zoning district subject to such provisions, conditions, safeguards and limitations on time or use as it may deem appropriate."

Yes 129 No 16 A 2/3 Vote

Article 15: SUBSTITUTE MOTION Voted to authorize and empower the Board of Selectmen to appoint an Executive Secretary pursuant to Chapter 41, Section 23A of the Massachusetts General Laws, and to transfer the sum of \$2,404.00 from Line Item #4—Board of Selectmen Administrative Clerk Salary toward the salary of said position.

The Meeting was adjourned at 11:00 a.m.

A true copy of record,

Attest:

Elaine S. Powers, *Town Clerk*
Certified Municipal Clerk

Annual Town Meeting

Commonwealth of Massachusetts

April 13, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the East Bridgewater High School, Michael J. McCarthy Auditorium on Saturday, April 13, 1985, under a warrant issued by the Selectmen and dated March 25, 1985.

Checking voters into the Auditorium were Helen R. Thorndike, H. Virginia Clarity and Jeannette T. Arruda. There was a total of 235 voters present, 56 in Precinct I, 63 in Precinct II, and 116 in Precinct III.

Moderator Philip E. Carey called the meeting to order at 11:00 a.m. Previous to any business being transacted, Chairman of the Board of Selectmen, Eric W. Greene asked the Moderator for the floor and was recognized. At that time presentations were made honoring Moderator Philip E. Carey for his many years of service to East Bridgewater including:

1950-1985	Director of Veteran's Services
	Veteran's Agent
	Burial Agent
	Graves Registration
1948-1957	School Committee
1962-1985	Town Moderator
1955	Civil Defense Director
1962-1966	Civil War Centennial Committee
1964-1985	Central Plymouth County Water District Committee
1974-1977	Bicentennial Committee
1983-1985	Plymouth, Bristol & Barnstable Counties
	300th Anniversary in 1985

Presentations made were from Board of Selectmen by Chairman Eric W. Greene, by Atty. Robert E. McCarthy for the Governor, by Senator Edward P. Kirby for the Senate and by Rep. Jackie Lewis for the House of Representatives. Town Clerk Elaine S. Powers presented and pinned Moderator Philip E. Carey with a boutonniere. Town Clerk Elaine S. Powers read the Opening of the Warrant and the Return of Service.

The following action was taken:

Article 1: Voted (With corrections) to accept the report of the Town Officers and Committees and verbal reports.

Article 2: Voted to authorize the Board of Selectmen to enter into a contract with the Department of Public Works for the Construction and Maintenance of public highways for the fiscal year commencing July 1, 1985.

Article 3: Voted to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1985 in accordance with provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with provisions of General Laws, Chapter 44, Section 17.

Article 4: Voted (As Amended) to raise and appropriate the sums of money in the column entitled "Recommended by Finance Committee 1985-1986" be granted and appropriated for the several specific purposes designed and that the same be expended only for such purposes, each number being considered a separate appropriation and that the Town vote to appropriate and raise taxation, by borrowing, by transfers from available

funds or revenue sharing funds, such items of money as may be required to defray Town charges for the fiscal year ending June 30, 1986 and expressly for the following purposes:

Article 8: Voted to choose Mrs. Leon Wagner as Town Director, Trustee for County Cooperative Extension Service, in accordance with the provisions of the General Laws of Massachusetts, Chapter 128, Section 41 and 42.

Article 9: Voted to raise and appropriate the sum of \$3,025.00 for a photo copy machine.

Article 10: Voted to raise and appropriate the sum of one hundred and twenty-five dollars (\$125.00) for the installation of an outlet and drain for a dehumidifier in the upstairs vault in the Town Office Building.

Article 11: Voted to raise and appropriate the sum of two hundred dollars (\$200.00) for the purchase of a dehumidifier for the upstairs vault in the Town Office Building.

Article 12: (Substitute Motion) Voted to raise and appropriate the sum of \$25,000.00 for the purpose of purchasing two (2) new police cruisers, and to meet said appropriation, a transfer of \$25,000.00 from the Stabilization Fund is authorized. A Unanimous Vote.

Article 13: Voted to raise and appropriate the sum of \$45,000.00 for a new Town Ambulance and to meet said appropriation, a transfer from the Ambulance Fees Reserved for Appropriation Account is authorized, and to authorize the Chief of the Fire Department to trade in and/or sell at public auction the presently owned 1977 ambulance.

Article 14: (Substitute Motion) Voted to raise and appropriate the sum of \$45,000.00 for a new motor, transmission and repairs needed for the Fire Department's Ladder Truck #1, and to meet said appropriation, a transfer of \$45,000.00 from the Stabilization Fund is authorized. A Unanimous Vote.

Article 15: Voted to authorize the Chief of the Fire Department to enter into a five (5) year lease-purchase agreement for a Fire Department Rescue Truck, and to authorize a transfer from the Stabilization Fund in the amount of \$19,872.00 for the Fiscal 1986 lease-purchase payment. A Unanimous Vote.

Article 16: Voted to accept State Aid for the Public Library in the amount of \$4,972.50, to be used for capital expenditures and/or computer related costs.

Article 17: Voted to designate the following roads, or any of them, as scenic roads as provided in the Massachusetts General Laws, Chapter 40, Section 15C: Bridge Street, from Central to Plymouth Streets; Ellis Lane, entire length; Harvard Street, from Highland Street to the Whitman Line; North Central Street, entire length; West Union Street, from Central Street to the West Bridgewater Line.

Article 18: Voted to raise and appropriate the sum of \$25,000.00 for the Reserve Fund, to be administered by the Finance Committee.

Article 19: Voted to raise and appropriate the sum of \$2,470.00 for a series of outdoor summer Band Concerts, to be held on the bandstand of the Town Common, said funds to be expended under the supervision of the Board of Selectmen and the Common Committee.

Article 20: Voted to adopt the rules and regulations as previously posted and published for the use, rental or lease of the Town Common, as presented by the Common Committee, and entitled Proposed Rules and Regulations Governing the Use and Management of the Town Common. (See Attached)

Article 21: Voted to extend the authority and existence of the Common Committee through the Annual Town Meeting in April 1987, appointing the Common Committee as designated authority in the Rules and Regulations with the authority to receive funds,

State Grant monies in conjunction with the Board of Selectmen, and expend funds for the maintenance, restoration and management of the Town Common property without further appropriation.

Article 22: (Substitute Motion) Voted—The Town of East Bridgewater will provide employees with one (1) personal day upon completion of one (1) year of full-time service determined according to initial date of appointment, with two (2) personal days per year upon completion of three (3) years of full-time employment, and with three (3) personal days per year upon completion of five (5) years of full-time employment.

Article 23: Voted to amend the Town of East Bridgewater Personnel By-Law as follows:

Section 16B—Longevity (Sections a. through c.)

An employee shall receive an annual longevity stipend in accordance with the following schedule and conditions.

LENGTH OF SERVICE:	ANNUAL PAYMENT:
a. Upon completion of ten (10) years or more, but less than fifteen (15) years of continuous full-time service.....	\$250.00
b. Upon completion of fifteen (15) years or more, but less than twenty (20) years of continuous full-time service	\$300.00
c. Upon completion of twenty (20) years or more, of full-time continuous service	\$350.00

Article 24: To see if the Town will vote to amend the Town of East Bridgewater Personnel By-Law as follows:

Delete Section 19 which reads:

For the purpose of this Section, “immediate family” shall be deemed to include spouse, child, mother, father, mother-in-law, father-in-law, sister, brother. In the event of a death in the immediate family of a permanent full-time employee, the employee shall be granted leave without loss of pay up to three (3) days. In the event of the death of an aunt, uncle, grandparent, grandchild, brother-in-law, sister-in-law, niece, nephew of a permanent full-time employee, the employee shall be granted one (1) day without loss of pay if the funeral is on the employees regularly scheduled work day.

In the event of a death in the immediate family of a regular part-time employee, the employee shall be granted one (1) day off without loss of pay if the funeral is on a regularly scheduled work day. In the event of the death of an aunt, uncle, grandparents, grandchild, brother-in-law, sister-in-law, niece, nephew, employee shall be granted one (1) day off without loss of pay if the funeral is on a regularly scheduled work day.

AND SUBSTITUTE IN ITS PLACE:

Section 19

For the purpose of this Section, “immediate family” shall be deemed to include spouse, child, mother, father, mother-in-law, father-in-law, sister, brother. In the event of a death in the immediate family of a permanent full-time employee, the employee shall be granted leave without loss of pay up to five (5) days. In the event of the death of an aunt, uncle, grandparent, grandchild, brother-in-law, sister-in-law, niece, nephew, of a permanent full-time employee, the employee shall be granted three (3) days off without loss of pay.

In the event of a death in the immediate family of a regular part-time employee, the employee shall be granted one (1) day without loss of pay. In the event of the death of an aunt, uncle, grandparents, grandchild, brother-in-law, sister-in-law, niece, nephew, employee shall be granted one (1) day off without loss of pay. NOT A VOTE

Article 25: (Substitute Motion) Voted to raise and appropriate the sum of \$20,000.00 for the construction of water mains and appurtenances on Washington Street from the intersection at Pond Street to the intersection at Plymouth Street, and to meet said appropriation, a transfer of \$20,000.00 from the Stabilization Fund is authorized. A Unanimous Vote.

Article 26: (Substitute Motion) Voted to authorize the Board of Selectmen to sell the Tree Department building and lot located on West Street, East Bridgewater; as shown on Map 22, Block 43 of the Board of Assessors, and more particularly described in deed of Elizabeth T. Harden, administratrix to the inhabitants of the Town of East Bridgewater, dated March 15, 1898 and recorded at the Plymouth Registry of Deeds, Book 761, page 129, for a sum not less than \$40,000.00. A Unanimous Vote.

Article 27: Voted to establish an account for the receipts from the sale of the Tree Department building and land; said receipts to be applied, without further appropriation, to the cost of erecting a new Tree Department building on the Highway premises at Willow Avenue.

Article 28: Voted to establish a Regional School District Planning Committee under the provisions of Chapter 71, Section 14, of the General Laws and to authorize the Moderator to appoint said Committee.

Article 29: To see if the Town will vote to establish an account, NORTHERN DISPOSAL, INC. FEES RESERVED FOR HIGHWAY REPAIR AND MAINTENANCE APPROPRIATION AND/OR PUBLIC DEBT APPROPRIATION, and to raise and appropriate the sum of \$200,000.00 for said account, or take any action relative thereto. NOT A VOTE

Article 30: To see if the Town will vote to revise Section 5 j 1 a of the Zoning By-Laws to read as follows: "The above ground storage of petroleum products and/or toxic chemicals will be subject to approval by the Board of Health, the Board of Water Commissioners, the Fire Chief, as well as all other approval granting authority so designated by local, state or federal law."

"The below ground storage of petroleum products and/or toxic chemicals is prohibited, except that the replacement of existing below ground storage facilities may be allowed subject to approval by the Board of Health, the Board of Water Commissioners, the Fire Chief, as well as all other approval granting authority so designated by local, state or federal law." YES 70 NO 56 NOT A 2/3 VOTE

Article 31: Voted to bring in their votes on one ballot for the following Town Officers, one Moderator for one year; one Town Clerk for three years; one Selectman for three years; one Assessor for three years; one Town Treasurer for three years; not more than two members of the School Committee for three years; one member of the Board of Health for three years; one Park Commissioner for three years; not more than two Library Trustees for three years; one Highway Surveyor for three years; one Water Commissioner for three years; one member of the Regional District School Committee for three years.

Question No. 1: Shall certain provisions of Chapter thirty-two B (32B) of the General Laws, authorizing any County, City or Town or District to provide dental benefits as part of group general or blanket insurance, providing hospital, surgical, medical, and health insurance benefits for certain persons in the service of such County, Town or District and their dependents be accepted by this Town?

YES

NO

Question No. 2: Shall the Town distribute to its insured employees, after deducting the Town's total administrative cost, the balance of any group insurance dividend which shall be based upon the employees' proportionate share of the total premiums paid for all insurance coverages, under Chapter 32B, Section 8?

Town of East Bridgewater Annual Town Election

April 20, 1985

A legal meeting of the Town of East Bridgewater was held in the Middle School on Saturday, April 20, 1985, under a warrant issued by the Selectmen and dated March 25, 1985, to bring in their votes for the Election of Town Officers.

Specimen ballots, penalty and instruction cards were posted, the ballot boxes were inspected by the election officers in each precinct and found to be empty and registered at zero. All machines were inspected and found to be in order with all seals intact. Polls were declared open at 7 a.m. and closed at 8 p.m. All election workers were sworn to duty by the Warden and the Warden was sworn to duty by the Town Clerk, Elaine S. Powers.

Grace Walsh, D was Warden in all three precincts. Election workers in Precinct I were: Clerk, Eleanor Clark, R; Joseph Meaney, D; Libby Whitman, R; Victor D'Arpino, R; Dolores Meaney, D, and Marjorie Crovo, D. Precinct II—Clerk, Marilyn Olson, R; Evelyn Pittsley, D; William Black, R; Rose Rodricks, D; Patricia Grace, D, and Hazel Black, R. Precinct III—Clerk, Everard Dixon, R; Gordon Hatfield, D; Mary Fountain, R; Robert Duprey, R; Albert Fiorini, R; Harold Walsh, D, and Donald Smith, R.

Precinct I reported at 9:35 p.m., Precinct II at 9:35 p.m. and Precinct III at 9:10 p.m. There was a total of 1870 votes including thirty-seven absentees; Precinct I = 576 and 15 absentees; Precinct II = 536 and 12 absentees; Precinct III = 721 and 10 absentees.

All ballots used and unused were counted and all records sealed in open meeting. All requirements of the law were observed. Town Clerk, Elaine S. Powers, announced the total vote at 10:15 p.m.

The following was the result upon completion of tabulation (elected*).

Special Town Meeting

Commonwealth of Massachusetts

October 7, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the East Bridgewater High School, Michael J. McCarthy Auditorium on Monday, October 7, 1985, under a warrant issued by the Selectmen and dated September 16, 1985. Checking voters into the Auditorium were Helen R. Thorndike, H. Virginia Clarity and Jeannette T. Arruda. There were 288 voters present, 71 in Pre. I, 73 in Pre. II and 144 in Pre. III. Tellers appointed by the Moderator, Philip E. Carey and sworn to duty by Town Clerk, Elaine S. Powers were William Copeland, Roy Gardner and Richard Grace. Recording the meeting for the Town Clerk were East Bridgewater High School students, Brian Mazzoli, John Dupuis and Michael Mason.

Moderator, Philip E. Carey called the meeting to order at 8:05 p.m. Town Clerk, Elaine S. Powers read the Opening and Return of Service of the warrant.

The following action was taken:

Article 1: Voted to raise and appropriate the sum of \$200,000.00 for the laying and relaying of water mains not greater than 16 inches, nor less than 12 inches in diameter, from the intersection of Bedford Street at Central Street to a point approximately 2,000 feet south of the starting point along Bedford Street, and to meet this appropriation the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$200,000.00 under General Laws Chapter 44, Section 8, as amended. UNANIMOUS VOTE

Article 2: Voted to transfer the sum of \$2,500.00 from the Overlay Surplus Account for the Treasurer's Bond Certification Expense for Article #1—Water Mains. MAJORITY VOTE

Article 3: Voted to amend the Zoning By-Law and the Zoning By-Law Map by changing the Zoning district of the following described area from Industrial to Residence A (RA):

Beginning at the Northeast point of Intersection of the Business District and the current Residential A (RA) District on the West Side of the property at 710 Plymouth Street (Route 106) now owned or formerly owned by Theodore Wainor.

42 Feet More or Less Northeast (N 02° 00' 00" E) THEN

283.02 Feet More or Less Northwest (N 10° 57' 09" W) THEN

346.76 Feet More or Less Southeast (S 82° 23' 00" E) THEN

340.00 Feet More or Less Southwest (S 00° 56' 00" W) THEN

Along the current Zoning Line 250.00 Feet More or Less to the Beginning.
YES 237 NO 0

Article 4: Voted to rescind Article #38 of the Annual Town Meeting held on April 4, 1983, which authorized the Treasurer to borrow \$225,000.00 under General Laws, Chapter 44, as amended, for the construction of water mains and appurtenances on Central Street from the existing stub near Church Street to Memorial Drive. MAJORITY VOTE

Article 5: Voted to submit a Home Rule petition to the General Court to endorse an Act of the legislature authorizing Janice Cunningham, 448 Summer Street, East

Bridgewater, Mass., to take a Civil Service examination for Police Officer notwithstanding the maximum age requirements, notwithstanding the provisions of any general or special law or rule to the contrary regulating the maximum age of an applicant for appointment as a Police Officer, Janice Cunningham shall be eligible to take the next open competitive examination for appointment to the position of Police Officer and, provided she meets all other requirements, shall be eligible for certification and appointment. MAJORITY VOTE.

M/S to take up Article 8 out of sequence. VOTED YES 141 NO 85

Article 8: Voted to rescind the action on Article One (1) voted at the Special Town Meeting held on April 26, 1982, under a Warrant issued by the Board of Selectmen and dated April 5, 1982, said Article One (1) as previously voted on April 26, 1982 as follows:

Article 1: Voted to authorize the Board of Selectmen to execute for and behalf of the Town, an instrument which shall transfer and convey, in fee, by deed or gift or otherwise, to the East Bridgewater Housing Authority, the parcel of land and buildings thereon now owned by the Town, known as the Intermediate School, and shown as Lots 38, 40, and 41 on Map 61 of the East Bridgewater Assessor's Plans consisting of 3.10 acres, more or less. YES 127 NO 96

Motion to pass over Article 6 without action.

After discussion the Motion by Eric Greene was withdrawn.

Article 6: To see if the Town will vote to authorize the Board of Selectmen to execute for, and on behalf of the Town, an instrument which shall transfer and convey, in fee, by deed of gift or otherwise, to the East Bridgewater Housing Authority, the parcel of land and/or appurtenances thereon, now owned by the Town of East Bridgewater, located at the north easterly end of Dean Place, bounded on the southwest by Dean Place and the land now or formerly owned by Robert A. and Sharon D. Berry, a distance of approximately 260 feet, on the east by land of the Commonwealth of Massachusetts (Old Railroad bed) and Paul and William Luddy, a distance of approximately 260 feet, and on the north by land owned by the Town of East Bridgewater to the point of the beginning, containing 49,000 square feet, more or less, with the provision that said land will be developed within one year from date of transfer, or take any action relative thereto.

M/S Amendment to add after "from date of transfer" the following:

And that its sole and only use be to relocate two buildings from the current Donham and Sweeney plans now pending action on the current East Bridgewater Housing Authority special permit application before the East Bridgewater Housing Authority.

Amendment voted YES 92 NO 90

Article 6 as amended not voted YES 93 NO 94

Article 7: (Voted to pass over without action) To see if the Town will vote to authorize the Board of Selectmen to execute for, and on behalf of the Town, an instrument which shall transfer and convey, in fee, by deed of gift or otherwise, to the East Bridgewater Housing Authority, the parcel of land and/or appurtenances thereon now owned by the Town of East Bridgewater, located between Plymouth and Old Plymouth Streets, identified on Assessor's Map 5, Block 7, containing 38,332 square feet, more or less, at number 48 Old Plymouth Street, with the provision that said land will be developed within one year from date of transfer, or take any action relative thereto.

Special Town Meeting

Commonwealth of Massachusetts

November 18, 1985

A legal meeting of the inhabitants of the Town of East Bridgewater qualified to vote in elections and town affairs was held at the East Bridgewater High School, Michael J. McCarthy Auditorium on Monday, November 18, 1985, under a warrant issued by the Selectmen and dated October 28, 1985. Checking voters into the Auditorium were Helen R. Thorndike, H. Virginia Clarity and Jeannette T. Arruda. There were 163 voters present, 46 in Pre. I, 37 in Pre. II, and 80 in Pre. III. Tellers appointed by the Moderator, Philip E. Carey and sworn to duty by Town Clerk, Elaine S. Powers were William Moorer, Charles Repeta, Jr. and Arthur Richardson. Audio Video Specialists recording the meeting for the Town Clerk were East Bridgewater High School students Brian Mazzoli and John Dupuis.

Moderator, Philip E. Carey called the meeting to order at 8:15 p.m. Town Clerk, Elaine S. Powers read the Opening and Return of Service of the warrant.

The following action was taken:

Article 1: Voted to accept Massachusetts General Law Chapter 40, Section 4G "Advertising Municipal Contracts Prior to award."

Article 2: To see if the Town will vote to accept a gift of land from Alice S. Dutra, 29 Lorraine Road, East Falmouth, Mass. 02536, land to be used for conservation purposes; said land consists of Lots #590 and #591 and described as follows:

Parcel 1—Lot #590—SOUTHERLY: by Metzler Road, as shown on records of Board of Assessors records, twenty-five (25) feet, more or less; WESTERLY: by Lot #591, one hundred eighteen point sixty-eight (118.68) feet, more or less; NORTHERLY: by Lot #668, twenty-five (25) feet, more or less; EASTERLY: by Lot #589, one hundred nineteen point seventy-seven (119.77) feet more or less.

Parcel 2—Lot #591—SOUTHERLY: by Metzler Road, there measuring twenty-five (25) feet, more or less; WESTERLY: by Lot #592, one hundred seventeen point sixty (117.60) feet, more or less; NORTHERLY: by Lot #669, twenty-five (25) feet, more or less; EASTERLY: by Lot #590, one hundred eighteen point sixty-eight (118.68) feet, more or less.

Said premises are conveyed subject to and with the benefit of restrictions, reservations and easements of record insofar as same are in force and applicable. Title to said granted premises deeds from Margaret M. Seyd, recorded with Plymouth County Registry of Deeds in Book 1801, Pages 345-346 and Book 1853, Pages 322-323. VOTED TO PASS OVER WITHOUT ACTION.

Article 3: SUBSTITUTE MOTION—Voted to raise and appropriate the sum of \$2,000.00 for Police Department medical bills for an officer injured in the line of duty and to fund said appropriation, a transfer from the overlay surplus account is authorized.

Article 4: SUBSTITUTE MOTION—Voted to raise and appropriate the sum of \$3,467.50 for legal services incurred in Fiscal Year 1985 from the office of Dailey & Townley for the finalization of the Agreement with the Town of East Bridgewater and Northern Disposal, Inc. and to fund said appropriation a transfer in the amount of \$1,500.00 from Line Item #159 Consulting Engineer to Line Item #153 Legal Expense is authorized. A Unanimous Vote.

Article 5: To see if the Town will vote to raise and appropriate the sum of \$18,600.00 for the purchase of one new one-ton Dump Truck and to sell by sealed bid the present 1977 Chevrolet Pick-Up, or take any action relative thereto. VOTED TO PASS OVER WITHOUT ACTION

Quorum count taken, 120 voters present—No Quorum.

Article 6: SUBSTITUTE MOTION—Voted to raise and appropriate the sum of \$42,577.00 for Town Insurance, and to fund said appropriation a transfer from the Overlay Surplus Account is authorized.

Article 7: SUBSTITUTE MOTION—Voted to transfer \$272,643.00 from free cash to be applied against the current year's tax levy (1986).

Article 8: Voted to accept the sum of \$54,804.00 for Professional Development Grants for Southeastern Regional School District Teachers pursuant to Chapter 188, Section 13 of the Acts of 1985. Said Professional Development Grants will only be offered provided funding is distributed solely by the Commonwealth for that purpose.

Article 9: Voted to accept an Equal Educational Opportunity Grant for the Southeastern Regional School District for fiscal year 1986 in the amount of \$160,807.00, under the provisions of General Law Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985. Said grant shall be expended by the School Committee for direct service expenditures with funds provided solely by the Commonwealth.

Article 10: To see if the Town will vote to authorize the Board of Selectmen to sell the parcel of land and buildings thereon now owned by the Town, known as the Intermediate School, and shown as Lots 38, 40 and 41 on Map 61 of the East Bridgewater Assessors' Plans, consisting of 3.10 acres, more or less, for a sum not less than \$700,000.00, or take any action relative thereto.

Article 10: SUBSTITUTE MOTION—I move the Town authorize the Board of Selectmen, thru bid proposals, dispose of said Intermediate School property shown as Lots 38, 40 and 41 on Map 61 of the East Bridgewater Assessors' Plans consisting of 3.10 acres more or less, and that the Moderator appoint a committee of nine (9) town officials/registered voters to review said proposals and recommend to the Board of Selectmen as to disposition. Minimum proposal to be acceptable not less than \$650,000.00 or take any other action relative thereto. VOTED TO PASS OVER WITHOUT ACTION

Article 11: To see if the Town will vote to establish an account for the receipts from the sale of the Intermediate School building and land, or take any action relative thereto. VOTED TO PASS OVER WITHOUT ACTION

Before acting on Articles six (6) and seven (7) a quorum count showed 120 voters present. Action then taken on Articles eight (8) and nine (9). Voted to recess until 9:00 p.m. to obtain a quorum. Reconvened at 9:00 p.m. and quorum count showed 150 voters present and voted on Articles six (6), seven (7), ten (10) and eleven (11).

Bureau of Accounts

Leverett Saltonstall Building, Government Center
100 Cambridge Street, Boston 02204

Board of Selectmen
Town of East Bridgewater
East Bridgewater, Massachusetts 02333

Honorable Selectmen:

We have examined the combined financial statements of the various funds of the Town of East Bridgewater, Massachusetts as of and for the year ended June 30, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The town follows accounting practices prescribed by the Commonwealth of Massachusetts which vary in certain respects from generally accepted accounting principles. The most significant difference relates to the use of the cash basis method for recording pension expenses for employees. Generally accepted accounting principles require that pension costs be determined by actuarial methods instead of the cash "pay-as-you-go" basis described in Note 2 to the accompanying financial statements.

Consistent with the practices of many municipalities in the Commonwealth of Massachusetts, the town has not maintained historical cost records of its property, plant and equipment. Accordingly, the combined financial statements referred to above do not include a general fixed asset account group which should be presented to conform with generally accepted accounting principles.

In our opinion, except for the effects of not providing for pension costs on an actuarial basis and except that the omission of financial statements of the town's general fixed assets results in an incomplete presentation as explained above, the combined financial statements referred to above present fairly the financial position of the Town of East Bridgewater, Massachusetts at June 30, 1984 and the results of its operations and the changes in financial position of its non-expendable trust funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying financial information listed as a schedule in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of East Bridgewater, Massachusetts. The information has been subjected to the auditing procedures applied in the examination of the financial statements and, in our opinion, is stated fairly in all material respects in relation to the financial statements taken as a whole.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the *Commentary On The Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act* issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the 1983 General Revenue Sharing Form RS-8 with the unaudited records of the Town of East Bridgewater.

In our opinion, for the items tested, the Town of East Bridgewater complied with

the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the town of East Bridgewater had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.

Very truly yours,

Kenneth A. Marchurs
Director, Bureau of Accounts
Department of Revenue

Report of the Board of Registrars of Voters

The Board of Registrars meet throughout the year to register voters and certify signatures on nomination papers and petitions. Members of the Board are Elaine S. Powers, Chairman/Clerk; Helen R. Thorndike, H. Virginia Clarity and Verian E. Quigley, and Assistant Registrars, Jeannette T. Arruda and Marcia Horton.

A continuing yearly process required by statute is the listing of persons, commonly called a census. Cooperation by the residents of East Bridgewater is greatly appreciated. The information is critical for determining the town's eligibility for federal and state reimbursements and aid, legislative redistricting, veterans' benefits and for voting purposes.

The Board of Registrars wish to thank the citizens of East Bridgewater for their continued cooperation. Any questions concerning voting will be answered by calling 378-2471.

Following are the figures showing the number of registered voters in comparison to the dates presented:

October 1984		January 2, 1986	
PRECINCT I			
Democrat	540	Democrat	532
Republican	268	Republican	257
Unenrolled	<u>819</u>	Unenrolled	<u>802</u>
TOTAL	1,627	TOTAL	1,591
PRECINCT II

Board of Registrars of Voters

Report of the Board of Selectmen

To the Citizens of the Town of East Bridgewater:

The Board of Selectmen herewith submit to you our Annual Report of progress and major actions throughout the year.

We have worked very diligently to carry out the wishes of the voters from the various town meetings of the year. Our Fire Department received the new Ambulance and Fire Truck in late fall, and they are being put to good use as necessary.

The Matfield River cleanup project finally got underway in October, and is continuing and hopefully by spring, this project will be substantially completed; this should remedy a very serious long-standing atrocity.

Cable Television is a reality after many years of controversy. Construction started after the first of the year, and by April, the first homes were viewing Cablevision. In December 1985, East Bridgewater's own Channel 2—went on the air.

The Studio at the High School was also completed in December 1985 and this is a very valuable commodity for the students and the townspeople who care to avail themselves. The Selectmen's meetings will be taped starting in late January 1986 and this should be educational to our citizenry; in addition, CATV produces much needed revenue to the town.

The Board of Selectmen adjusted the various license fees under their jurisdiction so that we now are more in line with our neighboring communities, and lower than some.

We continue to meet with the Towns of Bridgewater, West Bridgewater, Whitman, Abington, Pembroke, Hanson and Halifax. These are in the best interest of harmony and strength when applying for various grants. These meetings have proved very educational also, as we have had speakers who have great expertise in government. We hope to improve quality of life of our residents through this median.

The Town continues to receive Revenue Sharing Funds from the Federal Government, however, this program may be short-lived.

The Town was awarded a State Grant of \$312,000.-- for the restoration of the Common. After many years of discussion, frustration and controversy, the Town purchased the Common in 1984. A Town Common Committee was appointed and in the fall of 1984, application for a State Grant was filed in the Cities & Towns Common Program. We were notified in the Spring that we were one of 21 towns receiving a Grant. The Committee is meeting diligently to accomplish the renovations which will be a major assist to our community; it is expected that by September of 1986, we should have a fine facility we can all be proud of. The Common Committee deserves many thanks.

We have received approval for our Grant Application with Halifax and Whitman for "Planning Improvement Project" and this will be a major asset, amounts to \$25,000.-- overall.

In July, Northern Disposal, Inc. began "rubbish collection" throughout the town. This service was a result of negotiation between Northern Disposal Inc. President, Edward Reddish, and the Board of Selectmen. Mr. Reddish agreed to a free rubbish collection service, and increase tonnage fee for an additional 30 acres of landfill site, with a 5 year termination date.

An insurance consultant was hired in December, and hopefully this will reduce our costs which have soared in the past year due to industry wide cost of doing business.

We ask for your continued input of ideas, thoughts, suggestions and methods that we can study and utilize to make our town government function more cost efficiently and effectively. Your attendance at our meetings are always welcomed and we sincerely urge all voters to attend all Town Meetings.

We wish to express our deep gratitude to the various Town Officials, which includes the many unpaid Committees, Boards and Commissions, and our staff of long time, Administrative Assistant, Evelyn M. Pittsley; Clerk, Karen Grabau; Building Inspector, Robert E. Lundberg; and certainly not least, our most efficient Town Accountant, Marilyn M. Mondeau; our Town Counsel, Kenneth E. MacMullen, has been very active on sundry matters, and he always does the very best.

Eric W. Greene, *Chairman*
Dana G. Chase, *Clerk*
Paul R. Nisby
Board of Selectmen

Ground Broken for East Bridgewater Plant

Ground was broken on Sept. 17, 1985 for a 14,000 sq. ft. building on West Street to house the warehouse, manufacturing facility and offices of Superior Rail and Iron Works, Inc.

Taking part in the ground-breaking were:

Representative of the Randolph Savings Bank; Mr. Leonard H. Ferrara, Jr., President of Superior Rail and Iron Works, Inc.; Mrs. Stephen E. Pittsley, Adm. Asst. to the Board of Selectmen; Mr. Christopher Osborne, Superior Rail; Mr. Marty Barnes, President of Advanced Steel Design, Inc., of Dedham, who will construct the building, and Mr. Dana G. Chase, Clerk, Board of Selectmen, East Bridgewater.

The new building will allow for the growing space needed by the established steel fabricator, now located in Stoughton.

Report of the Board of Appeals

The Board of Appeals consists of three members and two alternates. Members are appointed by the Board of Selectmen for the purpose of acting on all matters within its jurisdiction as prescribed in Chapter 40A of the Massachusetts General Laws and the Zoning By-Laws of the Town of East Bridgewater.

The Board gives due consideration to promote public health, safety, convenience and welfare. It encourages the most appropriate use of the land in order to conserve property values. It permits no building to be utilized in a manner injurious, noxious, or detrimental to a neighborhood.

Public Hearings are scheduled to the convenience of the applicant. Applications can be obtained at the Board of Appeals office, and the Selectmen's office.

The Board has conducted twenty-one Public Hearings during the year 1985.

The Board meets on the second Thursday of each month.

Howard A. Wilbur, *Chairman*
Richard R. Grace, *Vice-Chairman*
Richard E. Bachman, *Clerk*
Irene Swartz, *Alternate*
David Johnson, *Alternate*

Report of the Christmas Decorations Committee

To the Board of Selectmen and Citizens of East Bridgewater:

The members of the Christmas Decorations Committee wish to thank the local business establishments, associations and Town Departments for their continued support.

Congratulations are extended to the Paul Sullivan family, Giovanniello family, Holton family and Lindh family, as winners in the annual decorating contest; also a "special thank you" is noted to those anonymous citizens who decorated the living Christmas trees in the center of town on a cold, windy night.

The Committee extends an invitation to anyone who would like to take part in plans for Christmas 1986—please share your thoughts and ideas.

Janet Denneen, *Chairman*
Evelyn M. Pittsley, *Treasurer*
Kenneth Krushas
Mary Alden
James F. Buckley

Report of the Board of Assessors

A full revaluation of all classes of property has been completed as mandated by the General Laws of Massachusetts for Fiscal Year 1986. The next revaluation will be for the Fiscal Year 1989 and will commence January 1, 1988.

Real Estate values were established by Jerome Appraisal Company of East Providence, Rhode Island, and Personal Property values were established by the Assessors Office. New Field Cards for each property were generated and supply a breakdown of the values of each improvement on the property as well as comparable properties in the town. Each property has a new three-digit Property Type Code applied to it to facilitate classification categories. These improvements to the field cards were a requirement of the Department of Revenue.

As mandated by General Laws, all Assessors must successfully complete a ten-week, 30-hour course "Assessment Administration: Law, Procedures, and Valuation" within two years of their election or appointment. Two Assessors and the Assistant Assessor fulfilled this requirement in 1985 and one Assessor received his Certificate of Achievement in 1983.

Assessors Maps and an Index Map of the Town were updated to January 1, 1985. New Maps were printed; and the Index Map was reduced in size and is available in the Assessors Office.

PROPERTY VALUE AND TAX RATE

Fiscal Year	Real Estate	Personal Property	Tax Rate
1982	\$156,485,560.00	\$5,068,060.00	\$26.00
1983	178,414,050.00	6,972,260.00	23.49
1984	181,049,240.00	6,992,530.00	24.02
1985	184,986,480.00	7,056,760.00	25.00
1986	256,563,910.00	6,577,900.00	19.25

Respectfully submitted,

John J. Gilbride, *Chairman*

William J. Browne, *Clerk*

Frank C. Underhill

Report of the Animal Inspector

Board of Selectmen:

In 1985 nineteen dogs were placed under home observation. All were negative and were released on the 10th day.

At the Rabies Clinic, 132 dogs were vaccinated. Members of the E.B.P.H.N.A. were the assistants.

Respectfully submitted,

George S. Wood, D.V.M.

Animal Inspector

Report of the Dog Officer

To the Honorable Board of Selectmen and Citizens of East Bridgewater:

I hereby submit my report as Dog Officer for the Town of East Bridgewater for the year ending December 31, 1985.

I would like to express my appreciation to your office and the East Bridgewater Police Department for the assistance given to me this past year.

Results of Investigation:

Complaints of dogs creating a nuisance	394
Strays picked up	248
Dogs claimed by owners	92
Persons bitten by dogs	36
Livestock killed by dogs	74
There were over 1,000 dog licenses sold.	

Respectfully submitted,

Wilfred L. Prouty
Dog Officer

Report of the Cable T.V. Study Committee

To the Honorable Board of Selectmen and Citizens of East Bridgewater:

The construction of the cable television system in East Bridgewater neared completion in 1985. approximately 1,300 households were subscribing to cable service by the end of the year.

On December 3, 1985, the first programming from the Town's studio in the High School was transmitted over cable channel 2. As residents complete the free production training courses, it is anticipated that the studio will be used more and more. Placement of the studio within the High School assures maximum utilization of the equipment and facilitates its use as an educational tool as well as an entertainment medium.

All residents are urged to participate in the production of local TV programming and to make full use of the Town's cable television system.

Respectfully submitted,

John J. Cull, *Chairman*
John Kaiser, *Clerk*
Paul Rando
John Read
Herbert Tyler

Report of the Building Inspector

To the Board of Selectmen and
the Citizens of the Town of East Bridgewater:

The Annual Report of the Building Inspector for 1985 is as follows:

A total of 289 building permits were issued in 1985:

- 59 Single Family Homes
- 94 Alterations, Repairs and Additions
- 56 Accessory Buildings
- 33 Swimming Pools
- 7 Commercial Buildings or Additions
- 15 Miscellaneous Permits
- 24 Wood Stove Permits

The estimated construction cost as specified in the building permit application is \$4,922,167.00. The fees collected for the permits totaled \$14,252.00. This year there has been a substantial increase in construction throughout the Town. I believe that the pressure to develop the undeveloped areas will continue both in the residential and business/industrial sectors.

The communication between Boards, Committees and the Building Department is becoming increasingly important and much more difficult to coordinate and monitor due to the tremendous increase in activity. The proper procedure would be to have all permit applications and permits issued and coordinated through one office.

At present, copies of decisions and permits are forwarded to the Building Inspector, who attempts to be knowledgeable of the permits and any conditions placed on them by various Boards and Committees, while monitoring the construction projects. It has become an almost impossible task.

At some point, a revamping of the entire construction permit process must be addressed. This coordination of permits will require a full-time Secretary/Clerk position, who would process all permit applications and direct the applicant to the proper Boards and Committees.

I realize that the cost of this Secretary/Clerk cannot be justified through Building Permit fees, however, I believe the benefits to the Town would far exceed the total cost incurred.

I sincerely appreciate the cooperation of the Townspeople, the various Inspectors, Boards and Committees and the Town Departments, without who's assistance nothing could be accomplished.

Respectfully submitted

Robert E. Lundberg
Building Inspector

Report of the Common Committee

To the Honorable Board of Selectmen
and the Citizens of the Town of East Bridgewater:

The Common Committee is pleased to report the following activities and progress made throughout the year 1985. The Common Committee has met on the first and third Tuesdays of each month and more often when necessary throughout the year to accomplish our many tasks.

1. The Phase 2 application for the state grant for the renovation of the Town Common was filed on March 20, 1985 for the Common and Squares Program with the Department of Environmental Management.
2. Rules and Regulations were drawn up for the use of the Common. These were presented to the Annual Town Meeting in April 1985 and were accepted for use by the electorate.
3. An article was presented at the Town Meeting to continue the Common Committee through the 1987 Annual Town Meeting.
4. A Bond Issue acceptance was voted at the June 17, 1985 Town Meeting to complete the Town's matching funds in the amount of \$57,000 toward the Common Grant.
5. On July 22, 1985, the Selectmen signed the contract to accept the State Grant to rebuild the Common in the amount of \$312,000.
6. Mr. Alfred Portway was appointed as Project Coordinator.
7. A shrub auction was held on October 20, 1985, which netted the sum of \$617.50.
8. The architectural firm of Paul C. K. Lu and Associates was selected as designer for the Common project at a figure of \$22,900.

ACTIVITIES:

1. The "Run for Boston" from the Common was held March 20, 1985, to carry the Phase 2 application from East Bridgewater to Boston over the historic old Boston route via Church Street to the Department of Environmental Management. Seventeen Adults and two children participated in this event which emphasized the importance of the Grant application to the citizens of East Bridgewater.
2. A Sunrise Service was conducted on the Common on Easter Sunday.
3. An auction was held on April 27, 1985 to dispose of excess property.
4. Memorial Day exercises were held on the Common.
5. The Lion's Club held a Senior Citizens Cookout on June 30, 1985.
6. A series of Band Concerts were held on Thursday evenings throughout the summer.
7. The Historical Commission held a picnic and Minute Man exhibition on July 18, prior to the band concert. This was in commemoration of the three hundredth anniversary of Plymouth County.
8. The U.S. Air Force Reserve Band played a rousing concert on July 28.
9. The Vikings Sports and Music Parents held their fall celebration on the Common.
10. The Girl Scouts held a birthday celebration on the Common.
11. The annual Christmas Program, Concert and Tree Decorating Contest was held December 16, 1985 with many organizations participating, ending the 1985 season.

Preliminary plans are being developed for the construction phase of the Common rehabilitation project, and with the approval of the DEM the final plan will be developed. This will lead to the construction contract award and hopefully the project will be completed by mid-summer.

The Committee wishes to thank all the Town Boards and employees who have been so cooperative this past year. We especially wish to thank Mr. Brewster Fuller, and Whit-

man and Howard, Inc. for their tremendous and valuable help with the early plans and application for this State Grant program.

Richard W. Alexander, *Chairman*
Sandra C. Goode, *Clerk*
August Dube, Jr.
Carl W. Eastman
Edna L. Whitmore

The runners in the "Run for Boston," with Pete Eastman, Senator Edward Kirby, and Officer Kevin Sullivan. The run began at 8:00 a.m., March 20, 1985, at the Historic Town Common, and the runners ran in relays starting down Church Street over the historic "Old Boston" route, carrying the Grant Application to the Department of Environmental Management in Boston. This picture was taken on the State House steps upon their arrival.

Report of the Conservation Commission

To the Board of Selectmen and the Citizens of the Town of East Bridgewater, the Conservation Commission submits its report for 1985.

East Bridgewater is expanding at a tremendous rate and now more than ever it is necessary to watch over our resources. East Bridgewater is over forty percent wetlands and every effort must be made to protect our natural resources, particularly our water supply. There are many protective restrictions the Commission would like to see enacted and one of the important ones is that the Watershed Protection District be prohibited. We need the help of the people of the town as we were defeated at Town Meeting in our first attempt to have such a law passed. The Commission has not given up and will try again. The work of the Conservation Commission, because of the tremendous amount of building in the town has more than doubled. We have had many more Notices of Intent filed, held Public Hearings and issued Orders of Condition for these filings under the Massachusetts Wetlands Protection Act. We have also answered and resolved many complaints.

We wish to thank the Eastern Edison Company, Allan Radcliffe, Alice Dutra and Sheldon L. Phinney for their gifts of land to the Town of East Bridgewater under Conservation Control. The Commission welcomes gifts of land as it is a means of having open space for the future in the town.

The Commission feels that in view of the increased building, much of which is in wetlands, that some kind of a check off method should be in effect before a building permit can be issued.

We would again like to thank Brewster Fuller for all the engineering help he has given to the Commission.

Meetings are the first and third Tuesday of the month at the Conservation Office 137 Central Street.

Respectfully submitted,

Agnes Kievenaar, *Chairperson*

Frank Johnson, *Vice-Chairperson*

Meredith Swanson, *Treasurer*

John Grant, *Conservation Law Officer*

Donald Smith

Florence Sexton

Eve Thomas

Keith Swanson, *Associate Member*

Report of the Council on Aging

To the Honorable Board of Selectmen:

The East Bridgewater Council on Aging provides services to 1312 elderly persons. Meetings are held the third Thursday each month in the Senior's Room at 7:00 p.m. in Public Library.

Services provided are: Weekly shopping trips; Blood Pressure Clinic twice a month; Blood Sugar Clinic three times a year by the Public Health Nurses; One monthly Mall trip, Luncheons at the Middle School weekly. Last year 2692 luncheons were served.

Arts and crafts twice monthly in the Seniors Room at Library & Riddell Rd., Frances Pratt is the instructor. Also, we have Aerobic Classes Tuesday at Senior's Room in Library and Meals on Wheels daily.

The Council works closely with Old Colony Elderly Services. Services available are: Homemaker assistance, and legal advice/clinics. For these services call Frances Pratt—378-7975, Coordinator for the elderly.

Respectfully submitted,

Emmet P. Meehan, *Chairman*; Carol Dixon, *Treasurer*; Pauline Singleton, *Secretary*; Kenneth Duke Royster, William Black, Elaine Powers, Frances Pratt, Robert Simpson, Allison Stinchfield, *Members*; Hazel Black and Alice Craig, *Associate Members*.

Report of the Co-ordinator of Elderly Affairs

To the Citizens of East Bridgewater:

As Senior-Aide for the Town of East Bridgewater, the main purpose of my position is to help the elderly with their problems through information and referral.

Some of the programs I cover are Co-ordinator of the Senior Citizens Club and Co-ordinator of Volunteers, health and blood pressure clinics, free legal aid, transportation, friendly visits at home and in the hospital, telephone reassurance calls, friendly visits, Self Help, Scope (Senior Citizens Opportunities for Personal Enrichment thru free physical and occupational therapy). I help with financial problems such as Social Security and Social Security Supplement, Medicare and Medicaid, Blue Cross and Blue Shield.

I attend monthly meetings of the Southeastern Regional Council on Aging, also the Senior-Aide Program to keep up-dated on all the latest information that will benefit the elderly.

I work closely with Old Colony Elderly Services and it is with regret that many services have had to be cut due to a drastic cut in State funding. There is hope for more financial assistance in the near future and that the services that were cut will be restored.

We have many people taking advantage of our transportation program which includes weekly trips for "in town" shopping and to the school luncheon. Also a once a month trip to a Mall.

Our meals on Thursday at the Middle School are well attended and the new program, Meals on Wheels for shut-ins, is also a success. At the present time the number of meals allotted to the town is full but I am hoping to have more in the near future. These meals are delivered by volunteers.

My office is located at the Community Hall (Housing for the Elderly) 38 Riddell Road and I would be pleased to hear from any Senior Citizen who might want to contact me. My telephone is 378-7975.

I also wish to express my thanks to the Selectmen and the Housing Authority for all the help I have received.

Respectfully submitted,

Frances L. Pratt
Senior-Aide

Report of Old Colony Elderly Services, Inc.

In our past fiscal year we served 127 East Bridgewater clients with homemaker, chore, transportation, and other services valued at over \$100,000. Included are bi-weekly trips by the OCES Minibus serving more than 40 town residents, many of whom are from the West View Rest Home. We are indebted to the East Bridgewater Council on Aging for coordinating this service and for working closely with staff of our agency to better serve elderly clients in your town.

New services offered through our agency beginning in 1985 are Respite Care, Adult Foster Care, and the Community Care Connection, which provides a full range of in-home services to very frail, medicaid eligible clients. Old Colony Elderly Services is also the designated Elderly Protective Services agency which is responsible for investigating reports of elder abuse and neglect.

For information, or to refer clients, please call our Brockton office at 584-1561.

John Campbell
Executive Director

Report of the Local Arts Council

The East Bridgewater Arts Council has met frequently during the year 1985. Our allotment from the Mass. Arts Lottery was \$5,800.00.

The nine member Committee approved projects covering a varied field of artistic projects, viz:

1. Concerts on the Common
2. Sound equipment for High School Jazz Band and Show Choir
3. Craft Classes for Senior Citizens
4. Youth Concerts at Symphony Hall
5. Scholarships for the Arts
6. Kids arts and summer program for the youth at the Public Library
7. Grant for restoration of 1930 Steinway Piano
8. Storyteller etc. for the Central School

Some of the above projects have not as yet been completed but we are looking forward to their fulfillment in the coming year.

Notices are posted as to the dates when applications are being received, and the Committee would be pleased to hear from anyone interested in applying for a Grant.

Respectfully,
Sharon M. Dunn, *Chairperson*
Carl L. Sturgis, *Clerk*
Mary Alden
Patricia Bradbury
Paula Coffey
Michael A. Herbert
Anne Bezio
Hubbard Jordan, Jr.
Evelyn M. Pittsley

Report of the Board of Health

To the Board of Selectmen and the Citizens of East Bridgewater:

Board of Health meetings were held on the second and fourth Wednesdays of the month at 9:00 a.m. in the L. Gladys Farren Nurses' Cottage. The Board was organized from January through April as follows: William A. Johnson, Chairman; Donald Nelson, Clerk; and Robert H. Jones, Member. In March Mr. Nelson announced that he would not be seeking re-election.

After the Towns' election in April, Dr. Albert Dunn, III joined the Board of Health and it was re-organized as follows: William A. Johnson, Chairman; Robert H. Jones, Clerk; and Dr. Albert Dunn, III, Member.

As of July 8th, rubbish pickup was made available to the residents of East Bridgewater by Northern Disposal, Inc. This arrangement was a joint effort of the Board of Health and Board of Selectmen. The Disposal Area on Bridge Street is only open on Saturdays from 7:30 a.m.-2:30 p.m. and Sundays 8:00 a.m.-12:00 noon.

Commencing September 1, 1985, Disposal Area Stickers were made available at the Board of Health Office Monday-Friday from 8:00 a.m.-12:00 noon and 1:00 p.m.-4:00 p.m.

Mr. Joseph Rodricks, Health Inspector spent a busy year investigating housing, sewerage and other miscellaneous Board of Health violations. He also observed numerous perc tests, repairs to septic systems and new system installations. Again this year, Mr. Rodericks, assisted by Administrative Secretary, Elaine Dube, inspected all food service establishments and did swab testing for lab examination.

Monies collected by the Board of Health and turned back to the Town of East Bridgewater for the year 1985 totaled \$109,060.95.

We wish to thank our employees: Robert E. Lundberg, Building Inspector; Edward Arnold, Chief of Police; Town Officials and all other Town Departments for their continued cooperation and support during the past year.

Respectfully submitted,

William A. Johnson, *Chairman*

Robert H. Jones, *Clerk*

Albert Dunn, III, M.D., *Member*

Report of the Coordinators of the Federal Revenue Handicapped Compliance Program

Plans are nearing completion to make the Town Office Building and the Board of Health office accessible to the handicapped.

We have contacted Mr. William L. Copeland, Jr., the Town's Regional District School Committee member, to request the Regional School to accept the project of building wheel chair ramps at the Town Office and at the Board of Health. These projects should be completed in the Spring of 1986.

Robert Lundberg, *Coordinator*

Marilyn Mondeau, *Coordinator*

Federal Revenue Handicapped Compliance Program

Report of the East Bridgewater Home Health Agency

To the Board of Selectmen and The Citizens of East Bridgewater:

The year 1985 has brought many changes in the delivery of home health care. Cut-backs in Medicare benefits and the implementation of DRG's, an in-hospital prospective payment system which began in October, have sent sicker patients with fewer benefits into the community. This has created areas of need for the chronically ill in all towns.

The home health agency has continued to provide nursing services to all who require it, and, we are currently investigating alternate funding sources for home health aide services through the Nursing Association, Veterans Services, and, a sliding scale program.

Our annual report is as follows:

Nursing	1763
Home Health Aide	1616
Physical Therapy	194
Speech Therapy	23
Occupational Therapy	19
Medical Social Worker	0
Office Visits	333

In the fiscal year 84-85, we returned over \$76,000.00 to the town.

Arrangements have been made for the coordination of home IV therapy. A hypertension screening program through the Department of Public Health is being offered in cooperation with BVNA. An agreement has also been established with two local companies to provide equipment and supplies directly to patients at home.

Visits to premature infants, the follow-up of communicable diseases, and health teaching continue to be important services as well.

With appreciation to a dedicated staff and a supportive Board of Health.

Respectfully submitted,

Mary Balsamo, R.N., *Administrative Supervisor*
June Cribben, R.N., *Administrative Nurse*
Marjorie Winsor, R.N., *Staff Nurse*

Report of Moth Department

To the Board of Selectmen and the Residents of East Bridgewater:

The Moth Department found a continuing decline of Gypsy Moth population within the Town. The Department continued to receive calls for hornets and wasps which were answered and controlled. The Department continued to perform the spraying of Poison Ivy along the streets of the Town and on private property where requested.

I would like to express many thanks to employees, residents and other Town Officials for their co-operation.

Respectfully submitted,

Eugene F. Fortier
Moth Superintendent

Report of the Fire Department

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:
The following is my report for the year 1985:

The 897 responses of the department were classified as follows:

Fire, Rescue & Public Service 294
Ambulance 603 (67% of total)

Mutual Aid calls were as follows:

Incoming Aid—Fire 5 Ambulance 42
Outgoing Aid—Fire 24 Ambulance 78

Ambulance fees and home smoke detector inspection charges amounted to an estimated \$25,000.00.

Outdoor burning dates remain the same as in the past, January 1st through May 1st. I wish to thank the residents of East Bridgewater for their cooperation in respecting the rules and regulations we all must follow.

The ambulance and fire rescue truck voted at the 1985 town meeting have become a reality and now are in daily service. The ambulance is of the most modern type and was purchased with a Mor-Ryde Suspension System that provides more comfortable patient transportation and is as the name implies: it has both fire fighting and rescue capabilities. All of our rescue equipment is now on a modern up-to-date dependable vehicle and will provide a better service for our citizens. The fire fighting capabilities will be used in busy times as well as a spare piece of apparatus to respond when other vehicles are out of service for repairs, etc.

As in the past, the cooperation and assistance of the Board of Selectmen, Town Departments, Finance Committee, our Department Clerk, our EMT's and Firefighters, and the Building Inspector is greatly appreciated. Without it this department could not function as it does or give the service it does.

Respectfully,
Robert K. Winsor
Chief of Department

Report of the Park Department

To the Honorable Board of Selectmen:

Again this past season was very busy at Strong Field. The High School used the field in May, June and July.

In addition to the normal use, the field was used for the High School Semi-final Baseball Tournament, sectional and regional games.

This past season we also painted the dugouts and the other buildings. We also built a broadcasting booth for announcing the ballgames.

The Park Department would like to thank all the people and departments who helped us this past season.

Respectfully submitted,
Ralph G. Connors, *Chairman*
Robert L. DeChristopher, *Clerk*
Edward Pearson, Jr., *Member*

East Bridgewater Housing Authority

Annual Report

The first nine months of 1985 were rather routine for the Housing Authority, as it maintained and operated the 96 units of Elderly housing at Riddell Road, without incident.

The final three months, however, were somewhat tumultuous with respect to additional housing units being planned by the Authority and the Executive Office of Communities and Development (EOCD) and proposed for the site of the former Intermediate School.

Although the controversy over the proposal did not erupt until August 1985, the basis actually dated back to 1982, when on April 26th, at a Special Town Meeting, the Town voted unanimously, to authorize the Board of Selectmen to transfer a parcel of land and buildings thereon, known as the Intermediate School, to the Housing Authority.

Unfortunately, EOCD had no funds available for the next two years, and could not accept applications for funding from local housing authorities. Finally, in April 1984, the State Legislature passed a "Housing Bill," and EOCD sent out Requests for Proposals to all local housing authorities.

By Letter of Commitment dated April 2, 1984, the Selectmen agreed to convey title of this property to the Housing Authority at such time as the Authority could demonstrate that it had secured financing.

Based on that Letter of Commitment, the Authority, with the approval of the Selectmen, applied to EOCD for funding necessary to convert the school building to 24 (twenty-four) units of low income elderly housing, (Chapter 667) and for 8 (eight) units of low income family housing (Chapter 705) to be newly constructed at the rear of the property.

The Authority was awarded a grant of \$1,900,000 by EOCD on May 15, 1984. One of the criteria cited by EOCD in granting this award was: "Your (EBHA and the Town) willingness to develop a balanced housing proposal which addresses the substantial need for additional units of family housing in your community---." Architectural, engineering, and surveying work was soon under way on the project.

Later in 1984, the Authority and the Selectmen further applied for and were awarded an additional grant of \$240,000 for the development and construction of 2 (two) staffed apartments for physically and mentally handicapped adults. (Chapter 689)

Throughout the remainder of 1984, and well into 1985, plans continued to be developed between the Authority, EOCD, and the architect. These plans were reviewed and discussed at the Authority's regular monthly meetings, and the architect made a number of presentations at those meetings.

Subsequently, Town officials and other parties who had previously expressed an interest in the proposal, were invited to a meeting at Riddell Road in early August 1984, to view the architects' plans.

Newspaper coverage of that meeting, describing the proposed plans, sparked an unexpected wave of controversy regarding the scope of the proposal. Opponents expressed concern over the population density for that site, as well as anticipated drainage and traffic problems.

This controversy eventually led to a Special Town Meeting at which an article sponsored by those opposed to the housing proposal sought to rescind the 1982 vote which had authorized the Selectmen to transfer the property to the Authority. The article was voted and temporarily prevented the Selectmen from complying with its earlier Letter of Commitment.

This triggered several legal actions; with the Authority seeking to compel the Town

to convey the property to the Authority; and the abutters bringing other legal actions against the Authority and the Selectmen, in attempt to prevent said conveyance.

The matter was finally resolved in Plymouth County Superior Court when the Court ruled in favor of the Authority and instructed the Town to convey the Intermediate School property to the Authority.

Title was transferred in early 1986 and the planning, architectural, and engineering work resumed. It is anticipated that the actual renovation and construction work will begin in the summer of 1986.

The Authority appreciates the support, assistance, and commitment to a balanced housing program, shown by all of the Town boards, committees, and departments throughout this controversial period.

Our thanks also to those Town officials and employees who continue to cooperate with, and provide services to, the Authority in the operation of Riddell Road.

Respectfully,

The East Bridgewater Housing Authority

George Fountain, *Chairman*

Richard Anderson, *Vice Chairman*

Victor D'Arpino, *Treasurer*

Robert Cooper, *Asst. Treasurer*

Report of the Brockton Area Association for Retarded Citizens, Inc. (BAARC)

The cost of providing programs and services to a developmentally disabled citizen of the Brockton Area Association for Retarded Citizens is decided by the Rate Setting Commission of the Commonwealth of Massachusetts upon their auditing the expenses and income of the agency.

The rate per day for a client who is in the Day Activity Program is Nineteen Dollars and Fifty Two Cents (\$19.52) for two hundred and thirteen days for a total of Four Thousand, One Hundred Fifty Eight Dollars (\$4,158.00). We presently have two Day Activity clients who reside in the Town of East Bridgewater. The rate per day for a client who is in the Sheltered Workshop Program is Twenty Four Dollars and Twenty Eight Cents (\$24.28) for two hundred and thirteen days for a total of Five Thousand, One Hundred Seventy Two Dollars (\$5,172.00). We presently have one client at the workshop who resides in the Town of East Bridgewater.

The money received from the Town of East Bridgewater, Four Thousand, One Hundred Seventy Three Dollars (\$4,173.00), is applied toward the cost of providing programs and services to those clients who reside in the Town of East Bridgewater.

Brockton Area Assn. of Retarded Citizens, Inc.
389 Main St., Brockton, Mass. 02401

Report of the Highway Surveyor

To the Honorable Board of Selectmen
and Residents of East Bridgewater:

This year the Winter Street project was completed. Many drainage problems were solved with the repair of 30 catch basins and street shoulders being cut back. Throughout the year we applied 244 tons of cold patch at a cost of \$6,380.00. In addition to patching roads, we continued the responsibilities of street sign and guardrail repair, litter control, and the maintenance and repair of our equipment.

During the month of September, we built a new roof over the heater room, just before the arrival of Hurricane Gloria. A total of 1,252 man-hours and 1,043 machine-hours were spent helping the Tree Department with the cleanup of storm related debris. This operation continued into the month of December.

At this time I would like to say thank you to the people who work for you and me on the Highway Department and all of the other Departments for their cooperation and assistance in this my first year as your Highway Surveyor.

Respectfully submitted,

Anthony Cruz
Highway Surveyor

Report of the Dept. of Civil Defense

Board of Selectmen and Citizens of East Bridgewater:

During Hurricane Gloria in September 1985, the Civil Defense Agency coordinated all the emergency services of the Town.

The Board of Selectmen and the Civil Defense Deputy Director established the command center in the Town Hall. With the planning completed during the prior week, the implementation of emergency services by the Town Departments were without difficulty. Town officials handled primary storm reports, set up evacuation shelters, allocated emergency generators and maintained water supplies throughout the Town. Department Heads coordinated with the command center, the activities of the Police and Fire Departments throughout the weekend. The services of the Water, Tree and Road Departments were extraordinary in the clearing of debris and fallen trees from utility lines and roads of the community.

The cooperation between the Town Departments and the Citizens aided in quickly returning the community to normalcy. The Board of Selectmen wish to thank all who participated.

Respectfully submitted,

Paul R. Nisby
Civil Defense Director

Edward E. Arnold
Deputy Director

Report of the Historical Commission

To the Board of Selectmen:

The Historical Commission has met on the third Monday of each month at the East Bridgewater Public Library at 8:00 p.m.

The work of surveying structures, sites, monuments and houses continues with twenty survey forms being completed this year and filed with the Massachusetts Historical Commission and at the East Bridgewater Public Library.

Outstanding events of the year have been:

1. Acceptance at the Annual Town Meeting of five Scenic Roads: Ellis Lane, formerly Mill Lane; North Central Street, West Union Street, Harvard Street from Highland to the town line, and Bridge Street from Central to Plymouth.
2. A picnic supper on the Common in conjunction with the Common Band Concert in July in Commemoration of the 300th Anniversary of Plymouth County.
3. Participation in the Homecoming Parade of the Class of 1986, E.B.H.S., by a family group depicting "Pride in Heritage."
4. Participation in a Plymouth County 300th Anniversary Celebration at Massasoit Community College with a presentation of Slides showing the growth of East Bridgewater and an exhibit of 10 maps—1798-1980.
5. Proposal of a Park in Elmwood at the southwest corner of West and Bedford Streets to be known as Joppa Green.

One of the purposes of the Historical Commission is the preservation and protection of the assets of the town. In carrying out the purpose of protecting the character of the town, the Commission appreciates the cooperation of the Tree Warden and the Highway Surveyor.

Respectfully submitted,

Report of the Library Trustees

The Board of Library Trustees respectfully submits its Annual Report for the year 1985.

This year marked a watershed in the development of comprehensive library service and efficient internal operations in the Town Library: 1985 saw the first adequate book budget since the implementation of Proposition 2½ and the decimation of the materials appropriation. Assistant Librarian, Irene Nardi, has used these funds to purchase the best current fiction and nonfiction available, while part-time Librarian, Joan Leland, has been evaluating the present collection, replacing outdated or inaccurate materials with highly recommended titles. To date the philosophy, religion, social studies, language, and pure science areas have been carefully updated to reflect the strength and contem-

porary nature of a progressive library. Collections in each of the public schools have also been updated to the limits of available funds. While more local support will be required to meet school library demands, a grant from the Andrew W. Mellon Foundation and the Grace C. Eastman Fund supported the purchase of *The Library of America*. This sixty volume set of the best in American literature will "complement strong reference, periodical, and pamphlet collections for the use of high school students and faculty," reports High School Librarian, Ann Hynes.

Recognition by federal and state library officials of the local commitment to excellence translated into additional financial support. Implementation of a \$25,000 Grant for automated Inter-library Loan Services (ILL) and database retrieval under the Library Services and Construction Act has united the three Bridgewater in a formal information network, resulting in added efficiency and quicker delivery of needed items. In one program evaluation, the directors of the three participating libraries demonstrated that twenty-one percent of ILL Requests could be filled by one of the three libraries in twenty-four hours via the Regional Delivery System. Another grant from the Taunton Subregional Library System supported the conversion of Public Library collection records into machine-readable form accessible by computer. To date eight years of acquisitions have been entered into the database.

In the same spirit of support, a competitive grant from the East Bridgewater Arts Council allowed the purchase of a new exhibit case to feature the creative and artistic talents of townspeople. Properly displayed in attractive and secure surroundings, exhibits have included a display of baskets crafted by the women of the United Methodist Church, antique porcelain music boxes from the private collection of an enthusiastic library patron, and a display of antique fans from the collection of the late Mrs. Phillip Bailey. "Tower Treasurers," a display of photographs, manuscripts, and print materials relating to the colorful heritage of the town also highlighted the value and versatility of the showcase.

Other special gifts and events were funded and supported by individuals and groups who value shared resources in a library setting. A combined gift from the Woman's Club of East Bridgewater, the Plymouth County Genealogists, and the Michael D. Nardi Fund secured a professional sound system for the Community Room. An anonymous donation in memory of New Hampshire businessman, John Cunningham, funded an evening lecture program featuring Bridgewater State College Professor, Dr. Thomas Curley, whose research has focused on the life of Samuel Johnson, a major literary figure of the Eighteenth Century. A generous contribution from the Sachem Quilters allowed the purchase of additional craft books. This group also shared their many talents with the community by conducting several quilting displays in the Library.

Space concerns were addressed this year with shelving added to the second floor in the 1979 addition. Crowded conditions in the building have been alleviated by the addition of sturdy, attractive shelving, funded by State Aid to Public Libraries, and the professional staff is in the process of integrating the nonfiction collection. The Trustees are committed to maintaining eligibility for state aid by meeting specified hours of service, funding levels in the book budget, and educational requirements for staff. The annual grant is based on per capita population, and anticipated growth in the town is expected to increase the value of the grant.

A new carpet in the Front Reading Room enhances the area's appearance and the absorption of sound. A new copy machine for public use was installed on a loan basis, and while regular use by townspeople would not support this addition economically, use by the many regional groups which meet in the library make the service cost-effective. Acquisition of some State surplus property including storage units, book ends, and a solid oak table which was refinished, improved library facilities while having no effect on the local tax rate.

This year Mr. Sturgis represented small libraries in the Eastern Regional Public Library System on the Options for Small Libraries Committee, a federally-funded project designed to assist small libraries in the planning process. Data gathered from libraries statewide uniformly cited children's materials and programs as essential and valuable library services. Children's Librarian, Mary Davis, exemplifies this appreciation of children's services. The children's collection has been updated for educational and recreational use and Mrs. Davis has sponsored programs, activities, and displays to encourage reading by young people. Holiday craft projects, films, a successful summer reading program involving over two hundred children, and a Town Halloween Costume Parade highlighted the activities of the Children's Room. The resignation of Children's Library Aide, Deborah Smith, who accepted a position with the public schools, was greeted with regret and appreciation for a job well done. Mrs. Smith has served townspeople since 1980 in many capacities. Maureen Kenney was selected to fill the position. A certified elementary school teacher, Mrs. Kenney has worked as a local Special Needs Aide and as a substitute teacher.

While the Town Library System boasts professional library positions in each of the schools, an expanded Public Library facility, ongoing computer operations, and collections of historical and artistic treasures, the backbone of the entire program is the dedication of the staff. The introduction of more efficient service systems, automated procedures, regional cooperation, and the continuing demands of a sophisticated public have necessitated new and complicated responses to traditional library service. New library personnel have also contributed to the sense of change in the system. Middle School Librarian, Allene Hamilton, retired after twenty-one years of library service. Beginning her library career as Children's Librarian, Mrs. Hamilton transferred to school library service and opened the library at the Middle School. A true believer in education and the power of the written word, Mrs. Hamilton was a dynamic part of the Middle School and her service was received with appreciation and gratitude. Replacing her is former Catalog-Reference Librarian, Anne Wilson, who served as an aide at the Middle School Library and who is enrolled in a Masters Program in Instructional Media at the State College at Bridgewater. Selected because of her experience, current coursework, and computer skills, Mrs. Wilson with her aide, Joan Murphy, has instituted an automated overdue system in the school. Joan Hayward, a former librarian at the Ames Free Library in Easton replaced Mrs. Wilson as Catalog-Reference Librarian at the Public Library. With a B.S. in Education from the University of Pennsylvania and public library experience, Mrs. Hayward is contributing to the library's database and is preparing materials for input in its retrospective conversion program. The retirement of Custodian Walter Tucker after a lengthy illness was also accepted with regret. Loring Hammond, a school custodian and former janitor at the Plymouth County Hospital was selected as the new custodian. The cleanliness and attractive appearance of the Public Library are to the credit of professional and concerned custodial staff.

The Library Trustees took special note of the passing of Grace Curley Eastman in April. Former Town Librarian with a lifelong interest in education, self-improvement, and pleasure reading, Grace Eastman contributed greatly to the stature of the unique Town Library System, to strong school library programs, and to the achievement of the much needed 1979 Public Library addition.

The Grace C. Eastman Fund was established at the time of her retirement to acknowledge Mrs. Eastman's many accomplishments. Many memorial contributions were received at the time of her death. Donations from House Story Workshops to the Eastman Fund made possible the restoration of the library's 1857 Map of Plymouth County which is displayed at the library and which was a focal point of the Tercentenary Exhibition at Pilgrim Hall in Plymouth. Private donations to the Eastman Fund also brought the

"You and Me Puppets" to the library for an exciting summer children's program. Contributions continue to honor the good works of Grace Eastman and allow library staff to plan enriching programs and activities which are beyond the scope of the budget.

Assistance from other town departments has been invaluable in meeting the needs of a growing community. Help from the Tree Department during the summer and after Hurricane Gloria contributed to the appearance of the grounds. The Highway Department insured efficient snow removal, and the Water Department cleaned pipes to increase water pressure in the building. Continued cooperation with the School Department has insured cost-effective school libraries and shared resources throughout the town. Personnel in the Town Offices offer their expertise whenever requested to facilitate public service or internal operations.

At this time the Board of Library Trustees would like to acknowledge with thanks the contributions of individuals, town departments, and educational and civic organizations who have contributed to the development of the Town Library System. Special mention must also be made of the tragic loss of High School Library Aide Marguerite Ross who always shared her expertise and her enthusiasm with the students. High School Librarian, Anne Hynes, and Anita Bardon, Library Aide, continued to offer their brand of personalized service at a very difficult time and are to be commended for their sense of duty. Other personnel who have tempered the impact of all the changes include School Staff Administrative Assistant Betty Cooper. Acting as a liaison with the schools, Mrs. Cooper has established more efficient procedures for purchasing, record keeping, and for system evaluation. Lorraine Roan has also continued to serve the entire system with her skills as bookkeeper, troubleshooter with a multitude of cantankerous vendors, and with her fine sense of design and creativity. Central School Librarian Victoria Boucher has also made much of the opportunity to sew the seeds of learning in young people. The development of elementary library programs contributes to a sound education and the School Committee and Administration are to be commended for their interest and support.

The strength of the Town Library System rests on a foundation of public service, technological innovations to increase productivity, and staff creativity. The individual can and does make a difference, and the Trustees value and applaud all whose contributions have been woven into the fabric of a fine municipal library system.

Respectfully submitted,

Board of Library Trustees

Report of the Industrial Development Financing Authority

The Committee held several meetings and organized as follows:

Chairman—Paul R. Nisby

Vice-Chairman—Donald E. Nelson

Member—Frank Chuilli

During the year, we received and approved application for financing from:

Kellwood Corp.

Cape Cod/Cricket Lane

225 Bedford Street, E. Bridgewater

We would be most pleased to assist any business who wishes to locate in our Town, with their financing. Kindly contact any member of the Committee, or leave a message at the Selectmen's Office by calling 378-2291.

Sincerely,

Paul R. Nisby, *Chairman*

Donald E. Nelson, *Vice-Chairman*

Frank Chuilli, *Member*

Report of the Old Colony Planning Council

To the Honorable Board of Selectmen and residents of the Town of East Bridgewater:

As your representatives to the Old Colony Planning Council we are pleased to present this report of the Council's activities for 1985.

During the year, the program of the Council was concentrated in three major areas: Economic and Community Development; Transportation and Transit Planning; and, Area Agency on Aging Planning including the coordination and implementation of elder service programs.

The Economic Development activities of the Council involved the preparation of the annual update of the Overall Economic Development Program report which includes a listing of local capital improvements important to economic growth and development. The Council also acts on Industrial Revenue Bond applications which are initiated within the planning district to assist firms in financing new or expanded facilities. In 1985 the Council acted upon 23 Industrial Revenue Bond applications totalling almost 51 million dollars for area businesses. The total compares with the 41 million dollars approved in 1984 and 24 million dollars approved in 1983 for a three year total of well over 115 million dollars of economic development investment in the area. The communities benefiting under the program in 1985 were: Avon—\$21,300,000; Bridgewater—\$3,300,000; Brockton—\$8,000,000; Easton—\$5,000,000; Plymouth—\$9,000,000; Stoughton—\$3,600,000; and Whitman—\$650,000.

Assistance to local communities in their various community development activities included: grant management for the Community Development Block Grant for the Avon Industrial Park-West; grant preparation and assistance with proposed zoning changes for the town of Abington; Whitman grant preparation; Stoughton grant preparation and completion of a local water study; East Bridgewater grant preparation and assistance with local Community Development Action Grant (CDAG); Halifax grant preparation; Pembroke assistance with local water study; and Plymouth assistance with preparation of proposed Economic Development Administration grant for waterfront expansion.

Staff was also involved with the preparation, receipt and administration of a State supported Energy Grant which provides energy assistance to local industrial firms in OCPC area. To date ten firms have taken advantage of the grants and have received the engineering analysis for their companies. The OCPC staff was successful in obtaining two (2) tri-town grants from the Executive Office of Communities and Development (EOCD) under the Incentive Aid Program. The first, a planning study involving the Towns of Abington, Avon and Stoughton is underway and nearing completion. The second, also a planning study, involves the Towns of Whitman, Halifax and East Bridgewater and will be starting early next year.

The transportation and transit planning activities of the Council during the year required the preparation of a number of documents necessary for the area communities to continue to remain eligible for transportation improvement program funds from the federal and state governments. Among these were the Transportation Plan update; Transportation Improvement Program and a Prospectus of the Region. During the past year the Council also completed studies on three long-standing and unresolved transportation issues identified in the Transportation Plan Refinement. These issues included: The Route 123 Traffic Study; The Bridgewater Center Traffic Study; and the Plymouth, Kingston, Carver and Plympton Rural Transit Survey.

The Traffic Counting Program of the Council was in full swing this past year. OCPC conducted approximately 160 traffic counts for member communities. The traffic counts also provide accurate up-to-date information for OCPC technical reports such as: The

Bridgewater Center; Route 123 and Route 53 Traffic Studies.

In 1985, OCPC completed the first year of the Accident Data recording system. The communities participating in the program now have available at OCPC a full year of accident statistics on computer that can be quickly and accurately retrieved and sorted at their request.

During the past year the Council prepared and submitted to the Department's newly established Transportation Operation Problem Solving (TOPS) Team a list of problem intersections within the OCPC Region. The TOPS program effort is a pilot project aimed at developing immediate results for minor intersection problems. Three problem intersections will be given attention: Route 123 at Route 18, in Abington; Route 139 at Route 18, in Abington; and Reynolds Memorial Highway (Route 27) at Pearl Street in Brockton.

The Council also completed the Easton/Raynham Commuter Rail Feasibility Study. The study explored the feasibility of extending the Stoughton Commuter Rail Service to Easton/Raynham. Other long-term strategies of the Council included restoring commuter rail service to the Old Colony Region as part of a cooperative effort with the Plymouth County Development Council and the Brockton Regional Chamber of Commerce.

The Council also continued its work in monitoring and planning for the Brockton Area Transit (BAT) System. During the past year, Bridgewater joined BAT and is currently working toward a goal of establishing Dial-A-BAT service in January. In addition, BAT also signed an agreement with the architectural firm of Louis Berger and Associates to prepare design and construction documents for restoration of the Stoughton Commuter Rail Station. During the past year the Council also assisted local public and private agencies in filing applications for 16(b) (2) vehicles.

The Council acting as the Area Agency on Aging was responsible for administering Older Americans Act monies allocated to the region. The Area Agency funded and coordinated a wide range of community, in-home, and nutritional services for elders.

In addition to the direct funding to these communities, several other programs are administered regionally for the benefit of elders in the entire service area. These programs include the Volunteer Transportation Program and Nursing Home Ombudsman Program administered by the Area Agency. Old Colony Elderly Services administers the Emergency Assistance Program for elders and the Six Town Minibus Program for the communities of Avon, East Bridgewater, West Bridgewater, Halifax, Hanson and Whitman. Other programs administered regionally include the Senior Law Project, home health aide and respite care, and several hospice programs.

Nutrition services in the form of congregate and home delivered meals are made available through Title III-C monies in many communities in the service area. Several communities including Avon, Carver, Kingston, Middleboro receive assistance to prepare meals locally. Many other communities participate in the nutrition program administered by Old Colony Elderly Services receiving prepared meals from a caterer.

In 1985, Charles A. Pickering of West Bridgewater was elected as President of OCPC; John J. DeMarco of Avon was elected as Council Secretary; and James A. Kassos of Brockton was elected as Council Treasurer for the year.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the Joint Transportation Committee chaired by Mr. John Yaney; the Overall Economic Development Committee chaired by Mr. Joseph Joseph and the Area Agency on Aging Advisory Committee chaired by Mr. John Mather. The Council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the Council.

Respectfully submitted,

Robert W. Smith, *Delegate*
David A. Johnson, *Alternate*

Plymouth County Mosquito Control Project

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 1985.

The Project is a special district created by the State Legislature in 1957, and is now composed of twenty-two (22) Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a mechanism for organizing specialized equipment, specially trained employees and mosquito control professionals to carry out the single function of mosquito control over a broad geographic area. The Project now provides environmentally sound mosquito control to an area of approximately 650 square miles.

Calendar year 1985 was one of expansion. On July 1, the Town of Halifax joined the program. The Project finally was able to acquire additional badly needed equipment, including three pickup trucks, a flatbed truck, an excavator for use on the Salt Marsh, two sprayers and a complete complement of survey equipment. A laboratory to sort, identify and count field-caught mosquitoes was completed. The information gathered from trap collections and field surveys is important to the integrated pest management approach used by the Plymouth County Mosquito Control Project.

In summary, 1985 began with a dryer than normal spring and early summer. Prior to mid-August, complaints of nuisance mosquitoes were often scattered and could be attributed to a single local breeding site. This made source reduction simple and effective. In late summer, increased frequency of rainfall led to a more broad scale problem requiring increased spraying for adult mosquitoes. Concern about transmission of eastern equine encephalitis to both horses and humans also surfaced at the end of the summer. However, no cases occurred in Massachusetts although virus-positive mosquitoes were collected.

The figures specific to the Town of East Bridgewater are given below. While mosquitoes do not respect political boundaries, the information below does provide a tally of those activities which had the greatest impact on the health and comfort of town residents.

1. *Insecticide Application.* 5,504 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in September.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvacides when immature mosquitoes are present. Last year a total of 115 inspections were made to 37 catalogued breeding sites totaling 46 acres.

2. *Water Management.* 585 linear feet of ditch was reconstructed in East Bridgewater using a backhoe mounted on a bombardier tractor.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Commissioners:

Frank E. Parris, *Chairman*
Carolyn Brennan, *Secretary*
William J. Mara
G. Ward Stetson
Richard E. Krugger, Sr.

Kenneth W. Ludlam, Ph.D.
Superintendent

Report of the Planning Board

To the Honorable Board of Selectmen and Citizens of East Bridgewater, MA:

The Board retained the same officers as the previous year, but two long time members, John Grant and Donald Smith, tendered their resignations and Frank Santilli and Michael Perrault were appointed to fill the vacancies, in joint meeting with the Selectmen.

During the past year, 38 "Form A" plans, which were not Subdivisions under the law, were acted upon and on "Form B" Subdivision plans, the Board took the following action:

1. Signed a covenant and bonded a 1 lot plan off South St. for Allyn Kingman.
2. Approved a 1 lot plan off Central St. for Jeffrey Wass.
3. Approved and bonded a 64 lot plan off Plymouth St. for Kevin Comeau.
4. Approved amendment to Douglas Dr. Condo's plan for Russell Grabau.
5. Reviewed a 5 lot preliminary plan off Washington St. for Russell Grabau.
6. Reviewed a 19 lot preliminary plan off East St. for Leo Trudeau.
7. Approved a 6 lot plan off Washington St. for Dana Colby.
8. Approved a 1 lot plan off Plymouth St. for Theodore Wainor.
9. Approved a 5 lot plan off Central St. for Bradley West.
10. Approved a 20 lot plan off Pond St. for Dana Colby.
11. Approved a 1 lot plan off Central St. for Jon-Ali Trust.
12. Released bond for Beaver Brook Lane for Thomas Bozoian.
13. Reviewed a 19 lot preliminary plan off Grove St. for Lee Williams.
14. Reviewed a 8 lot preliminary plan off Hayes Rd. for D & J Realty Trust.
15. Bonded a 12 lot subdivision on Marjan Dr. for Ali Nowrouzi.
16. Reviewed drainage in Pine Tree I Subdivision for Ronald Randall.

THE FOLLOWING SPECIAL PERMIT APPLICATIONS WERE ACTED UPON

1. Approved a Professional Office Building, 516 North Bedford St. for James Lopez.
2. Approved a manufacturing building on West St. for Superior Iron Company.
3. Approved a Garage at 498 Bedford St. for Dana Colby.
4. Approved a Professional Office Building at 484 Pleasant St. for Anthony Iannacone.
5. Approved an Auto Cleaning Service at 608 Spring St. for David Rodriques.
6. Approved an Office Building Addition at 140 Laurel St. for Laurel Associates.
7. Approved a manufacturing plant addition at 225 Bedford St. for Cape Cod/Cricket Lane.
8. Approved a storage building at 574 Thatcher St. for Edwin Reed.
9. Approved an Apartment Building at 1325 Plymouth St. for Kenneth Crosby.
10. Held a hearing for a business and apartment on North Bedford St. for Edward Baggia.

The Board Held Hearings and made Recommendations on the Following Zoning:

1. Approved of restrictions on petroleum storage in the Watershed Protection District.
2. Approved of definition of Sod Farms and provision for Special Permit.
3. Approved of Zoning Map Change from Industrial to Res. A off Plymouth St.

OTHER ACTIONS TAKEN BY THE BOARD WERE, printing up the New Subdivision Rules, applied for a grant for updating the Master Plan which was not funded, joined with Selectmen in appointing Robert Smith as delegate and David Johnson as alternate to the Old Colony Planning Council, advised Z.B.A. of concerns on conver-

sion of Intermediate School, signed agreement with Northern Disposal along with other Town Boards and recommended acceptance of Village Rd. Ext., Amber Drive and the original section of Kennelworth Dr.

Respectfully submitted,

John H. Alexander, *Chairman*
David J. Sheedy, *Vice Chairman*
Roy E. Gardner, *Clerk*
Richard Ridder
Kathleen Wardwell
Frank Santilli
Michael Perrault

Report of the Plumbing and Gas Inspector

To the Honorable Board of Selectmen:

The year of 1985 has seen a two-fold increase of issued permits and inspections over the previous years. We are in a period of much new construction and remodeling, requiring many daily inspections at all hours, in order to prevent construction delays.

Permits to perform work were issued to duly licensed persons only, as mandated by State Uniform Code. All work and materials was inspected and corrections made as needed.

This department is for all practical purposes self supporting due to permits requiring a fee payment in direct relation to the amount of work required.

I wish to take this opportunity to thank the Board of Selectmen, Mr. Robert Lundberg, and Mrs. Pittsley and her staff for all the help and assistance needed in the performance of my duties.

Respectfully submitted,

Fredrick D. Canducci
*Inspector of Plumbing
and Gas Fitting*

Report of the Trustees for Plymouth County Cooperative Extension Service

The County Extension Service is the educational outreach component of the United States Department of Agriculture, the University of Massachusetts in Amherst, and Plymouth County Government.

The main office is located on High Street, Hanson on the grounds of the Plymouth County Hospital and can be reached by telephoning 293-3541 or 447-5946. (In the telephone book under Plymouth County.)

A federally-funded Nutrition Education Program, designed to assist young families with limited resources, is located in Brockton at 32 Belmont Street. Under the guidance

of Andrea Gulezian, 9 nutrition assistants (6 FTE's) worked with 320 homemakers. In addition, they offered a week-long nutrition summer camp for youth and over 60 food demonstrations to improve family diets. As a cooperating agency, they received 3/4 of their referrals from WIC, Project Good Health and Food Stamp offices. In schools (with nutrition education programs that reach 5,000 youth) 357 volunteers worked with the nutrition program.

Cooperative Extension Agents are specialists in the area of 4-H, Home Economics, Community and Natural Resource Development and Agriculture. Agents service all towns in Plymouth County through lectures, phone call assistance, field visits and county-wide programs.

In our 4-H program last year, 15,178 youth were enrolled. Of that number 959 were enrolled in traditional club programs and 14,219 were exposed to 4-H short term projects, school enrichment or individual study programs. 786 volunteers assisted in conducting the county 4-H program.

Newsletters....free for the asking

The Home Economics department recently made available to residents a newsletter *Creative Living* which covers areas of Consumer Economics, Human Development, Nutrition and Clothing & Textiles.

Garden Clippings, the extension newsletter for the backyard gardener has a circulation of 3,400, doubling in size since last year.

Agriculture and Resource Development agents service clients by reporting needed agriculture events as they happen, essential to produce growers and communities. A computer links our office to U/MA research.

Cooperative Extension works through a variety of ways to reach Plymouth County residents. 20,000 publication listings were distributed to all libraries and town halls this past year. Radio PSA and newsreleases are sent out weekly to ensure program coverage. Presently there are 10,800 names on our mailing lists who receive monthly newsletters in wide areas of interest.

In accordance with the General Laws of the Commonwealth, Chapter 128, the Trustees for Plymouth County Cooperative Extension Service are empowered to receive, on behalf of the County, money appropriated by any town, or by the Federal Government for carrying out the provision of the Law, under which they are appointed.

Agents have made contacts during the past year in every community, either by public meetings, individual visits, group discussions and demonstrations, in attempting to assist the needs of the citizens toward helping to solve management problems, better living, and better community service. The Extension Service staff have been ably assisted by many local volunteer leaders.

A total expense of \$125.00 was incurred during the year for the purchase of material needed in carrying on the various Extension Programs. The appropriation made by your town was used for residents of the town and expended as follows:

EXPENSE 1984-1985	
Books & Manuals Purchased for Town Officials ...	\$ 8.00
Town Director's Expense.....	—
Bulletins, Paper, etc.....	25.00
4-H School Programs	75.00
4-H & Home Economic Leader Expense.....	17.00
TOTAL	<u>\$125.00</u>

FINANCIAL SUMMARY

Current Appropriation	\$125.00
Suggested Appropriation for 1986-1987.....	125.00

Respectfully submitted,

Trustees for County Cooperative Extension Service

Mary M. McBrady, *Director*

P.O. Box 658, High St., Hanson, MA 02341

Phone: 293-3541, 447-5946

Report of the Inspector of Wires

Honorable Board of Selectmen:

I respectfully submit my annual report as the Inspector of Wires for the year of 1985.

Services	98
Rough Wires	86
Construction Services	7
Meters	12
Outlets	30
Finals	62
Electric Ranges	18
Electric Dryers	9
Water Heaters	12
Oil Burners	14
Miscellaneous	11
Fire Calls	3
Pools	26
Cable T.V. Services	16
Storm Services	52
Not Accepted	3

The latest edition of the Massachusetts State Electrical Code was used as a basis for all inspections, with no special rules.

My thanks to the Board of Selectmen, the Building Inspector and the Townspeople for their co-operation with this department.

Respectfully submitted,

Albert M. Greiner

Inspector of Wires

Report of the Police Department

Board of Selectmen:

The Police Department has participated in various in-service training programs in order to enhance the police officers proficiency. First Responder and Cardio Pulmonary Resuscitation courses were provided personnel as mandated by the Commonwealth. Each officer was given in-field training in the use of hand guns, rifles and shotguns in order to maintain these skills.

Hurricane Gloria afforded the Police Department an opportunity to assist motorists and town and emergency vehicles in the performance of their emergency duties.

In 1986 upgrading of cell areas, installation of video cameras for prisoner observation and renovation of the communication area will be completed.

I wish to thank the members of the Police Department and other Town Departments for their cooperation this past year.

Respectfully submitted,

Edward E. Arnold
Chief of Police

Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen:

I hereby submit my report as Sealer of Weights and Measures for the year 1985.

	A	S	NS	C
Scales and Balances				
Over 10,000 lbs.		0		0

Gasoline pumps	2	15		
Yard sticks				
Tank truck meters				
Oil trucks checked	31			
Gasoline pumps re-checked	47		3	3
Complaints investigated	4			

A-Adjust S-Sealed NS-Not Sealed C-Condemned

I thank you for your cooperation during the year of 1985.

Respectfully submitted,

John F. Curley
Sealer of Weights and Measures

Report of the Board of Water Commissioners

The Board of Water Commissioners would like to report that in an effort to modernize the operation of the water department, the water department office acquired a computer in August of 1985. In February of 1986, the first water bills will be produced from the system. The Commissioners feel that with the installation of this computer, all files in the department can be upgraded and handled more efficiently.

The new water main on Washington Street has been completed resulting in better fire protection flow in the Robbins Pond area.

The results of some chemical treatment at the #3 well has had a positive effect in the water distribution system. Further studies are being made.

The Department, under the direction of Superintendent Lyman Howard, reports that 49 new services were installed; 16 services repaired; 6 hydrants repaired or replaced; 6 freeze-up problems handled and 9 emergency water main breaks repaired. The Water Department has observed the installation of water systems of several sub divisions. The department also responded to several mutual aid calls to surrounding Towns as well as the assistance from the Town of Bridgewater in giving mutual aid to East Bridgewater.

Respectfully,

Robert W. Singleton, *Chairman*

James A. Luce, *Clerk*

Robert F. Reardon, *Third Member*

Report of Self Help Incorporated

Self Help, Inc., is greater Brockton's and Attleboro's anti-poverty agency dedicated to improving the quality of life of limited income individuals and families, and making all segments of the community responsive to the needs of the limited income, disadvantaged and minority needs.

During the program year ending September 30, 1985, Self Help, Inc., received a total funding of \$12.6M and provided 465,877 direct services to the area's limited income individuals and families.

2,070 residents received 1,753 direct services totaling \$192,622 during the program year.

The total funding of \$12,577,576 million does not tell the real value of human services delivered to the area as a whole. Self Help's funding enabled us to mobilize an additional \$828,340 of other community resources such as Commonwealth Service Corps and local cities and towns contributions as well as volunteers. The gross volume of Self Help, Inc., during the past program year was \$13.6 million.

Self Help currently employs 279 individuals, many of whom are limited income and minorities.

We feel that the program year 10/1/84 to 9/30/85 was a successful one for Self Help, Inc., and very helpful to our limited income population. We thank the area's Board of Selectmen, town volunteers and Selectmen's representative, Mr. Charles Baker to our Board of Directors for helping to make our program year a success.

Respectfully submitted,

Ulysses G. Shelton, Jr.

Executive Director

Report of the Tree Warden

To the Citizens of East Bridgewater:

The Tree Department continued to perform its usual duties during 1985, with the removal of 52 trees that were either dead or dangerous. Brush and tall grasses on many corners was also cut in the interests of public safety. Hurricane "Gloria" wreaked havoc on a great many of the Town's Trees. The clean up of this storm took more than two months and would have taken much longer without the complete aid of the Highway Department equipment and personnel. I wish to express my deep appreciation to Mr. Cruz and all the men of the Highway Department, Water Department, Tree Department personnel, and all other Town Officials for all the co-operation extended to the Tree Department during the aftermath of this storm.

I wish to express my sincere thanks to the citizens of East Bridgewater for their patience, understanding and co-operation during 1985 and particularly after the storm.

Respectfully submitted,

Eugene F. Fortier
Tree Warden

Report of Veterans' Services

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

Due to the continued increase in our cases and large Medical expenses during FY 1985, we had to request a transfer of \$10,000.00 to complete the year. This brought our total appropriation to \$60,000.00 for our Veterans' Benefits account. We had predicted this based on the demand for our services the previous year.

We have had refunds from Insurance cases and Workmens Compensation cases in the amount of \$5,870.61, with one case still pending settlement in the amount of approximately \$12,700.00. This is in addition to the \$45,000.00 due from the State Department of Veterans' Services. So that the net cost to the Town will be very minimum.

We handled the fuel program again for the seventh year and processed 171 applications for our families in East Bridgewater. Again we completed more than 100 Tax Abatement applications for our Veterans' and their dependents during the year.

Our Social Service work now requires an increasing amount of very difficult paper work in dealing with other agencies and Government regulations. Due to the cut back in Medicare Benefits by the Federal Government, we are experiencing a large increase in Medical Expense and will continue so in the future. However, we are doing all we can to keep these expenses under control.

I would be remiss if I did not again give credit to Mrs. Marcia Anapolsky our Administrative Assistant who does such an outstanding job in all phases of our work and handling some difficult case problems in a very efficient manner.

It has been a pleasure to be of service to our Veterans' and their families and the Citizens of East Bridgewater. If we may be of assistance to any of our Citizens, please contact our office between the hours of 8:30 a.m. to 4:30 p.m. Monday thru Friday.

Respectfully submitted,

Philip E. Carey
Veterans' Services Consultant

Report of the East-West Bridgewater Regional School District Planning Board

To the Citizens of East Bridgewater:

The towns of East Bridgewater and West Bridgewater authorized the formation of a Regional School District Planning Board at last year's Annual Town Meetings. The Board has been active since its organization on May 6, 1985.

During these times of declining enrollments and very limited financial resources, it has become crucial that every means available to safeguard the educational opportunities of our young people be examined.

The Board agreed at our first meeting that the educational opportunities to be derived through regionalization would be of primary importance in our decision making process.

There are five major phases to the project:

Phases

1. Information gathering
2. Selection of a consultant
3. Study
4. Decision
5. Transition

The fifth phase would be required if both towns decided to regionalize.

Most of the Board's effort, thus far, has been associated with the first phase. We have had school visitations, met with the school administrative staffs, met with state officials, had presentations and discussions with regional superintendents, met and discussed issues with regional school committeemen and hired a consultant to help us perform a regionalization feasibility study.

It is expected that phase three and four will require a schedule of approximately twelve months.

We have been successful in acquiring state grant funds and are performing our work without any local funding.

The Board encourages input from concerned citizens of both towns and informs the public that the Board will be concentrating on working toward a recommendation at next year's Annual Town Meetings (FY '88). In order for a regional school district to be formed, it would require a majority vote of both towns.

There are many major issues to be studied and an open communication process is required. Our mailing list includes state officials, town officials, school administration and employees, union representatives, local school support groups, and the local newspaper correspondents.

We would like to thank Superintendent Gerhart and Superintendent Mitchell for their valuable and willing support to the Board and look forward to their continued involvement as we move forward to complete our task.

Respectfully submitted,

John L. Powers, *Chairman—East Bridgewater*

William P. Bystrom, *Secretary-Treasurer—West Bridgewater*

Donald A. Fisher—*West Bridgewater*

Thomas F. Kelley—*West Bridgewater*

Robert A. McCarthy—*East Bridgewater*

Ann Packard—*East Bridgewater*

Report of the Southeastern Regional School District

The Southeastern Regional School District is represented by William L. Copeland. There are eight towns and the City of Brockton involved in this regional effort which provides students with occupational training leading directly to a variety of employment opportunities.

East Bridgewater's share for the \$6,122,593 total budget consists of 5.96% representing 84 students.

There are a total of twenty-five occupational programs offered at Southeastern Regional Vocational Technical High School and six at the Technical Institute level. School population is 1273 secondary and 138 post-secondary, for a total of 1411 students benefiting from vocational education training.

The job placement program under the direction of the Guidance Department placed 99.6% of the 1985 graduating class. The Technical Institute enjoyed a 99% placement record.

Job placement services are also available to past graduates.

High school students participated in several construction projects within the school district. They constructed an eighty-foot handicap ramp, a soccer wall for a youth soccer league; made signs and furniture for member communities.

On-campus projects include completion of our new greenhouse; construction of a new workshop for the Building & Grounds Remodeling and Repair Program and recently painted the physical education area.

The Southeastern Regional School District has a Technical Institute for adults and high school graduates. The Technical Institute's primary objective is to prepare students for gainful employment.

The Institute offers six programs at the post-secondary level: Data Processing, Dental Assistant, Electronic/Computer Technology, Licensed Practical Nurse, Medical Assistant and Medical Laboratory Technician.

The Institute is affiliated with Cardinal Cushing General Hospital, New England Sinai Hospital, Brockton Hospital, Goddard Hospital, Harvard University School of Dental Medicine, Tufts Dental School, various doctor's and dentist's offices in the District, other area hospitals and many high technology companies.

Students from the participating communities number as follows:

Brockton	748	Norton	68
East Bridgewater	86	Sharon	58
Easton	106	Stoughton	151
Foxborough.....	51	West Bridgewater.....	58
Mansfield.....	83	Out of District	2

During this school year, federal grants were written from a variety of sources. Vocational Education Act (PL 98-524) grants totaling \$47,132.00 were used to purchase equipment in Machine Shop, Graphic Arts and the Automotive Department. Special Education Grant (PL 94-142) funds amounting to \$37,240.00 were used to increase educational services to special needs students. Other grant funds were used to purchase library books, materials for computer instruction in language arts, mathematics, and to expand services for students with limited proficiency in English. A total of \$123,862.00 in federal grant funds will have been received by Southeastern this year.

The special needs program continues to be served, in part, by the three regional school collaborative. The collaborative is comprised of Southeastern, Old Colony and Bristol-Plymouth Regional School Districts.

Stanley B. Goldman, the representative from the Town of East Bridgewater, passed away on August 12, 1985. The Committee is deeply saddened by his passing. His wisdom, understanding and loyalty will be greatly missed.

The administrative staff has experienced some changes. Donald E. Graves, the first Superintendent of Southeastern, has retired after twenty years of service as a vocational educator. Paul K. O'Leary of Stoughton is the new Superintendent.

Eveyn Buschenfeldt, School Business Manager, formerly of Stoughton, has retired, and the new Business Manager is Patricia Cheromcka from West Bridgewater.

Southeastern is always seeking new, different ways of conducting its educational programs at minimal costs to the taxpayers of the District. The cost of operating the Southeastern Regional School District is among the lowest in the Commonwealth.

Wm. L. Copeland
School Committee Member

Report of the Town Collector

To the Honorable Board of Selectmen
and the Citizens of the Town of East Bridgewater, Mass:

Rendered herewith for your attention is a condensed report of the Town Collector's Department for the six month period ending June 30, 1985 also a recapitulation of total receipts for the last six months ending Dec. 31, 1985, however, these are not closeout figures.

1. 6:30 A.M. horn at Fire Station, no school, all schools, all day.
2. Notices will be given over Brockton Radio Station WBET, Plymouth Radio Station WPLM, and Boston Radio Stations WBZ, WEEL, and WHDH, and WCVB-TV Channel 5.

SCHOOL ADMISSION AGE

Children must be five years of age on or before December 31 to be eligible for kindergarten entrance.

Report of the Chairman of the East Bridgewater School Committee

To the Citizens of East Bridgewater:

"Your School Committee has always had the greatest faith in democracy and our open town meeting form of government." This is a quote from the School Committee report for the year 1980 and continues to be a governing factor of School Committee policy today.

Despite the severe economic restrictions placed on the school system and its children by the imposition of Proposition 2½ and prior to that the four percent tax cap, your school system continues to provide quality education to the students of the Town of East Bridgewater. This has only been possible by the caring and dedication of a fine administration, faculty, staff, and your School Committee. Currently we are in the process of gathering the "real needs" budget data from our building administrators, directors, administrative coordinator, and our Superintendent. This data will be reviewed and refined by your Committee prior to the compilation of our preliminary budget for the 1986-87 school year, as always, keeping in mind the needs of our students and the financial ability of the Town.

We believe the largest capital investment of the Town of East Bridgewater is in the school buildings that house our students. These buildings must be maintained in good repair both to protect our investment and to provide a learning atmosphere for our students. It is hard for all of us to realize that our fine, "new," Middle School is now twenty years old, and as with all twenty-year old buildings, requires capital expenditures to keep in good operating condition.

The School Committee is reviewing several options in providing the best possible education for the least cost. An example of this is our Regional School District Planning Board which is studying the feasibility of regional education between the towns of East and West Bridgewater. Your School Committee is also in the process of negotiating with all four of our employee organizations to provide necessary contracts for the smooth operation of our schools for the 1986-87 school year.

The School Committee wishes to express our sincere thanks to the citizens of the Town for your past support and respectfully request your support for current and future years. Further, we wish to express our appreciation to the various departments and officers of the Town of East Bridgewater without whose able assistance would make running the school system an impossible task.

Respectfully submitted,

John S. Leonard, *Chairman*

Charles M. Repeta, Jr., *Vice Chairman*

Loretta G. Ring, *Secretary*

Report of the Superintendent of Schools

To the East Bridgewater School Committee and
the Citizens of the Town of East Bridgewater:

I am pleased to submit the annual report of the Superintendent of Schools for 1985. The motto our school system adopted for 1985 was, "THE EAST BRIDGEWATER PUBLIC SCHOOLS...THERE'S NO BETTER PLACE TO LEARN." Within the resources available to the leadership of the East Bridgewater Public Schools, we have attempted to work as efficiently as possible in order to provide a high-quality educational experience for the school-age youth of the town of East Bridgewater.

As evidenced by the reports of the building principals and administrative staff included in my report, we have accomplished this goal. Elementary test scores continue to improve. Progress continues in expanding computer education throughout the system. Student discipline was excellent throughout the system with expanded programs to help students cope with the issues of drug and alcohol abuse. Graduates of the class of 1985 were accepted at a wide range of excellent colleges and universities. Student athletes and musicians continued their outstanding achievements. Our buildings and grounds continued to be well maintained, in spite of the heavy usage by both school and community. Through the leadership of the administration, the dedication of staff, the cooperation of our students and the direct support of our parents; we have maintained a quality educational system. We have done this at a cost per pupil which is \$608 per pupil lower than the state average. We have managed to provide an above-average education for the 2100 students attending the East Bridgewater Public Schools in 1985 at a cost per pupil which is 20 percent below the state average. Although this may seem like a positive condition, it is not.

Unless additional funding is made available to the East Bridgewater School Committee to hire people for positions which were eliminated during the first year of Proposition 2½ and to pay people presently on staff at an equitable level, this Superintendent cannot guarantee that the quality of the East Bridgewater Public Schools will continue. In relation to what it should cost to run a quality educational system, we are operating "on a shoe string"; and that "string" is getting ready to snap. We can only hope that the citizens of East Bridgewater will understand the needs of their schools and provide the necessary funding for the benefit of their children who represent the future welfare of our town, our state and our country. This funding is an investment which will be repaid many times over by each succeeding generation.

I offer my sincere and well-deserved appreciation to the administration and staff of the East Bridgewater Public Schools for their outstanding commitment to their students. To you, the members of the East Bridgewater School Committee, with admiration for your countless hours spent in support of our young people; I extend my gratitude for your direction, guidance and help during 1985.

Respectfully submitted,

Gordon W. Mitchell
Superintendent of Schools

Report of the Administrative Coordinator for Special Services

Dear Mr. Mitchell:

I am very pleased to report to you on the delivery of special services to our students in East Bridgewater. Over 90% of our 346 students with special education needs are served in our own classrooms using our competent staff in a very cost-effective model. The assistant principals and guidance counselors continue to monitor this model in order to provide quality services within our limited staff resources. During the 1984-85 school year, 103 children were referred for evaluation. The number of referrals for evaluation remains high due to large class sizes and decreased support services. The staff continues to do an excellent job in responding to this demand and their commitment to students is evident.

Less than 10% of our students require programs outside of East Bridgewater. I continue to be concerned with the cost of tuition and transportation which continues to escalate at an alarming rate. The cost of transportation to local special education placements alone has increased by over 300% in the past three years. This year we purchased our first vehicle to begin providing services with our own equipment and staff.

Placement in any private special education program is made only after great deliberation and after every attempt has been made to provide services through collaborative programs. We continue to be active members of the R.E.A.D.S., North River and Five Town Collaboratives and are constantly developing new programs and services to meet the needs of our students. Collaborative programming allows us to provide more cost-effective services to our low incidence special needs population and to contribute to program planning, policies and procedures and budgetary decisions.

Once again successful efforts were made to access grant funding to address the needs of our students and our staff. A competitive school-to-work transition grant was written in conjunction with West Bridgewater to create Project Employ. This program provides pre-vocational skills and counseling to eligible students at the high school and assists them in attaining employment. A word processing lab was set up at the high school through vocational education grant funding. This was a most beneficial addition to the business department. These two grants provided programs and services for regular and special education students. The Commonwealth Inservice Institute provided funding for Project Screen which will allow us to examine our pre-school and kindergarten screening process.

We have continued to encourage communication between the schools and the community through the Special Education and the Chapter I Advisory Councils. In this past year we have provided speakers on topics such as special education program evaluation, vocational programming, coping with grief, dealing with stress, parenting adolescents and discipline strategies. In addition we continue to provide, through grant funding, parent training courses for those who wish to further develop parenting skills. This support of parents and the interaction between parents and educators are essential to the success of our students.

I would like to express my appreciation and recognition of each person involved in the delivery of quality services to our special education students. A special expression of gratitude is given to the entire Special Services Team and in particular to the assistant principals, John Barry, Joseph Cirigliano and George Frye, for their dedication to students. Our success would not have been possible without your continued support, Mr. Mitchell, and for that I thank you.

Respectfully submitted,

Eileen C. Williams, Ed.D.
Adm. Coordinator for Special Services

Report of the Principal of the Central School

Dear Mr. Mitchell:

It is with pleasure that I submit my annual report on the activities and programs of the Central School for the year 1985. It has been an extremely busy, productive year and I would like to extend my gratitude and appreciation to a faculty who continue to exhibit a truly professional and dedicated attitude. Through their endeavors, every child gains a solid educational foundation necessary for future success.

In addition to the professional staff, I would like to extend my appreciation to the Central School support staff; i.e., secretaries, custodians, aides, and cafeteria workers, who work in conjunction with the classroom teachers. Their suggestions and dedication contribute to the maintenance of a positive educational climate in which optimum learning can take place.

Our enrollment as of October 1, 1985 was as follows: Kindergarten, 154; Grade One, 137; Grade Two, 154; Grade Three, 128; Grade Four, 170, totalling 743. Our class sizes, for the most part, remain in the mid to high twenties, and are a concern to us, as regards the amount of individual attention each child can receive during these critical early years of school.

This fall we were pleased to welcome several new employees to the School. To our professional staff we welcomed Mrs. Deborah Bourne, Mrs. Margaret Stearly, and Mr. Jeffrey Wolff.

Mrs. Bourne was employed to teach Grade 4, filling a position which was created through the transfer of Mrs. McCusker to the Middle School. Mrs. Bourne had several years of teaching in Vermont at the 4th and 5th grade level prior to her accepting this position. Mrs. Margaret Stearly was employed as a Special Needs teacher and is working in the area of language development. Mrs. Stearly worked for several years with special needs programs in New Jersey before coming to this area. Mr. Jeffrey Wolff was employed to teach Grade 4 and came to us having had prior teaching experience at the elementary level in the Sharon Public Schools.

In addition to the above staff members who were employed, we also welcomed Ms. Susan Gilcreast, Mrs. Bonnie Cruz, and Mrs. Jean Silva as Special Needs Aides. These positions are federally funded and provide an invaluable amount of direct support to the children and teachers.

In December, Mrs. Arlene Hill retired from the school system after eighteen years as a cafeteria employee. Mrs. Hill had faithfully served the children of East Bridgewater at both the Intermediate and Central Schools. She was very conscientious and pleasant to everyone and I know I speak for everyone in wishing her many pleasant years of retirement.

This has been a very positive year for the children of the Central School. The results of achievement testing and the individual growth of the children attest to the dedication of the classroom teachers. There continues to be a concern, however, with the numbers of children in the classrooms. The teachers fear that because of the larger numbers of children, their individual needs in the affective areas are not being adequately served.

In the curricula areas, the staff has been devoting a large amount of time for the familiarization and utilization of the computers which were purchased this past summer. The children at all grade levels will have some exposure to the computer, with our goal being to insure that they become comfortable with the basic components and operation.

In the area of mathematics, each grade level established a recommended scope and sequence for their program. A number of meetings were held and a final determination

of what could be expected at each grade level was agreed upon. In this way, each teacher knows what is expected of the children and what has been covered in previous years.

This fall many teachers participated in an after-school in-service program to improve writing instruction. The course, funded by the Commonwealth of Massachusetts through a Commonwealth Inservice Institute grant, was taught by Professor Mary Ellen Toscano of the State College at Bridgewater. Mrs. Toscano worked with our teachers for ten, two hour sessions, providing them with the skills necessary to enhance the classroom writing program.

In addition to the regular school program, our youngsters have been involved in many other activities. These are designed to enhance the learning process as well as broaden the cultural experiences and horizons of the children. Below are listed some of these activities:

The fourth grade field trips to the Museum of Science in Boston and to Duxbury Beach in June; third grade trip to Plimoth Plantation and the Mayflower; second grade trips to the Peabody Museum and Sachem's Rock; first grade trips to Boston's Children's Museum and the Children's Theatre at Bridgewater State College; the annual Kindergarten walking trips to the fire and police stations.

Mini-courses offer our fourth grade students a variety of choices to explore new areas of interest. These courses change every five or six weeks and provide the students a great opportunity to learn new skills. Also for the fourth graders, there is an opportunity to participate in after-school intramural programs in floor hockey, basketball, or swimming.

Through the efforts of our "Parents for the Arts" group, monies have been raised to bring performing artists to the Central School. These monies have been supplemented by local grants from the Arts Lottery Committee and we were pleased to present the following programs to our children: The New England Theatre Guild's production of "Aesop's Follies"; Ms. Marcia Pearlmutter, dressed as the character "Mother Goose," performing for our kindergarten and first grade classes; Ms. Susan Klein, a nationally known storyteller; and Mr. Richard Lucius, giving a live demonstration on birds of prey, which included an American Golden Eagle.

The children also benefited and learned from several guest speakers. Among these were: Outreach Programs presented by Heritage Plantation personnel to our third and fourth graders, a program entitled "A to Zap" presented by Eastern Edison, and an educational program entitled "Captain Noburn—Fire Prevention Program" presented to each classroom in grades 1-4 by Deputy Fire Chief Maurice Hennessey.

In June the children had an opportunity to participate in the popular field day exercises, organized by Mrs. Carolyn Post, our physical education instructor. These events were designed to give the children an opportunity to compete in a variety of game-type activities which were supervised by Mrs. Post who was assisted by High School student volunteers. There was also a very successful Book Fair held in our school library, which was organized by Mrs. Victoria Boucher, our school librarian, and gave the children and their parents an opportunity to purchase books and thereby build their home libraries.

In the area of the performing arts, the Spring Concert and Christmas Concert deserve special mention for their excellence. The musical in April depicted the life and music of Johann Sebastian Bach, and in December the children presented Dickens' "A Christmas Carol." Both performances represented a great deal of time and effort on the part of Mrs. Mary Anne Rebhan, our music teacher, who worked tirelessly with the children to accomplish these successful productions.

As a fund raiser to refurbish the Statue of Liberty, our entire first grade participated in a production entitled "The Spirit of America." The patriotic musical was presented

in the High School auditorium to a capacity crowd and a total of \$763.35 was donated for this worthy cause.

In December, in an effort to raise the awareness of the children to the plight of others who are less fortunate, they were asked to make some sacrifice in order to donate some small amount of money to Oxfam America, an organization dedicated to helping the poor of the world. To our amazement the children contributed \$424.65 to this most worthy cause.

One of the most pleasurable and valuable communication experiences for me continues to be the informal neighborhood coffee hours which I am invited to attend from time to time. During these sessions the parents and I have an opportunity to discuss the programs and goals of the Central School. As a result, I have a better understanding of their concerns, not only as they relate to the school, but to societal problems in general.

There have been several maintenance projects completed during this past year in an effort to keep the building in good as well as safe condition. Among these were: routine painting of corridors where needed, deluge sprinklers installed between the old and new sections of the building which should result in a considerable savings to the Town in annual insurance premiums, a chair lift installed between the bottom and middle floors making access possible for handicapped persons, and the installation of new lighting fixtures and fans in the school cafeteria resulting in fuel savings and a much brighter area.

I would like to take this opportunity to publicly thank the other town departments for the cooperation shown to the Central School. In particular, I would like to thank Mr. Carl Sturgis and the library staff for their continued support to our program; Chief Winsor and Deputy Chief Hennessey for arranging tours for our kindergarteners and conducting lessons on fire safety for the entire school; Chief Arnold and his officers for their cooperation in visits to the Police Station; Highway Surveyor, Anthony Cruz, and Water Superintendent, Lyman Howard, for their continued help; and all other town departments for their assistance throughout the year.

A special thanks goes to the many parents who in one way or another have volunteered their assistance over the course of the year. We continue to be thoroughly pleased with the overwhelming support we receive from them. Our classroom volunteer program, for example, continues to grow, with parents helping in areas where they are most comfortable; i.e., clerical work or providing direct service to children.

In addition to our classroom volunteers, the "Parents for the Arts" group has given an enormous amount of time and effort to raise funds for our cultural programs. As a result of bake sales, the "Kidz Klozet" used clothing store, and the sale of T-shirts and sweat shirts, well over \$1,400.00 was raised during the year to enhance our program.

To you, Mr. Mitchell, along with your assistants, Dr. Williams and Mr. Achin, and to the members of the East Bridgewater School Committee, I would like to extend my sincere appreciation for your continued support and direction during this past year. This type of cooperative attitude and positive communication enables our school system to continue to provide the children of East Bridgewater with the best possible educational opportunities. There's no doubt in my mind that our motto—"THE EAST BRIDGEWATER PUBLIC SCHOOLS...THERE'S NO BETTER PLACE TO LEARN," is a true reflection of our school system.

Respectfully submitted,

David R. Condon
Principal

Report of the Principal of the Middle School

Dear Mr. Mitchell:

I am pleased to submit my annual report as Principal of the Middle School.

The total enrollment as of December 1985, was 666 students. The distribution of these students by grade is as follows: grade 5, 163; grade 6, 145; grade 7, 173; and grade 8, 185. All of our students have been placed in classes which are designed to provide academic instruction suited to their ability. There are several instructional levels in each subject area, and these challenge students to utilize their talents. We have taken strides to provide for the individual differences of our students, thereby maintaining an instructional organization that truly reflects the philosophy of the East Bridgewater Public Schools. Teachers recognize that curriculum is, in itself, only part of the educational process, and that the implementation of curriculum through differentiated methodology and material is most important. It should be pointed out, however, that the per pupil ratio per teacher is higher than what is considered appropriate for this age level. The average class size in the school is 26 students per teacher, and some classes have over 30 students in them. It is a credit to our staff that they continue providing excellent educational opportunities for students. The results of the Science Research Associates Achievement Test given in October to the present ninth grade were extremely positive, indicating that this class was performing equal to or better than 1.2 years above the national norm in all the major basic skill areas. These scores reflect educational development in grades K-8. It is important to point out these results were achieved in the face of rather severe financial constraints, for the latest figures distributed by the Massachusetts Department of Education show that the Middle School is spending \$730.00 less per pupil than what is spent on average in the state. In 1983-84, the expenditure for this school was \$1,874.00 per student, while the state average was \$2,604.00. As principal, I have seen the gradual diminution of financial resources affect the school program and have to honestly be concerned about how long we can continue to have positive results in a period of constant reductions or level funded budgets.

At the Federal and State levels, politicians are demanding more and more, constantly expanding the challenges and expectations they desire the local systems to accept and achieve. The dilemma is that they are not providing us the resources necessary to do what is being asked. In good conscience I can assure you that the staff has done whatever necessary to work positively and productively with our students. We have been creative, resourceful, and responsive, but our ability to continually function this way is finite.

Some of the highlights of this past school year include:

The Middle School Drama Club was extremely active, for they were involved in 2 productions: "Little Miss Christie" and "Happy Haunting." Again, the cast and crew were invited to the Salem, Connecticut schools, and they received commendations from the audiences who truly enjoyed their performance.

Our students participated in the Thayer Academy Regional Science Fair, and one of our students, Richard Perez, received an award for his project.

The intramural program, under the supervision of Mr. Thomas Kenney, gave a large number of our students the chance to enjoy participation in after-school activities.

A group of High School and Middle School teachers participated in an Holistic Scoring Workshop which was conducted by Mrs. Eileen Malloy, Chairman of the English Department of Whitman-Hanson High School. They were trained in the proper techniques of assessing writing samples that are part of the Basic Skills Testing Program.

Ms. Christina Mason, a teacher of English, participated in the Brown University

Institute of American Literature. This seminar, offered at no cost to the school system, is designed to improve the knowledge and teaching skills of the participants.

The cafetorium of the Middle School was dedicated to the memory of Mr. Charlie Thomas. The ceremony involved friends who attested to the many wonderful things done for people by Charlie over the span of his life.

The community continues to utilize the facilities at the Middle School for a wide range of activities. Presently, our building is used 7 days a week by a broad spectrum of East Bridgewater civic, religious, community and school-related groups.

In September, Mr. Vincent Mitchell and his students were transferred to the High School to insure compliance with State regulations. For 15 years, he was an integral part of our school, and he and his students are missed by the entire staff.

The Alcohol and Drug Information Council, a student group designed to help all of our school population understand more about substance abuse, is very active. They have expanded their program into the fifth and sixth grade and have brought assemblies to our school. The council, under Mr. Cirigliano's supervision, has developed into a very positive force in the Middle School.

New to the teaching staff at the Middle School this year are the following:

Mrs. Jeanne MacLeod, teacher of grade 7 and 8 science

Rhode Island College, B.S. in Elementary Education

5 years teaching experience;

Mr. Clyde Krikorian, teacher of grade 8 social studies

Eastern Nazarene College, B.A. History

Boston State College, M.Ed. Secondary Education

Boston State College, M.Ed. Elementary Education

11 years teaching experience;

Mrs. Patricia McCusker,

who transferred to the Middle School from the Central School.

I want to thank you, Mr. Mitchell, and your staff for your continued support. I particularly want to commend Mr. Joseph Cirigliano for his constant involvement which helps provide a quality program here at the Middle School. There are 2 members of our staff who deserve mention. Mrs. Allene Hamilton, our librarian for the past 17 years, retired in June. She was a loyal, cooperative, dedicated member of our faculty, who worked diligently with our staff to provide outstanding library services for our students. Mrs. Mary Alden, after 25 years of service, also has retired. She will always be remembered for the time and effort she spent working in the classroom, as well as the countless hours she volunteered to student activities. Students were her first priority, and she would do anything necessary to help them.

Respectfully submitted,

John C. Collins

Principal

Report of the Principal of the High School

Dear Mr. Mitchell:

It is with pleasure that I submit the annual report of the High School for the year 1985. The enrollment as of October 1, was as follows: Grade 9—181, Grade 10—183, Grade 11—163, Grade 12—150, and 6 ungraded students, for a total of 683 students.

During the 1984-85 school year, the High School administrative positions were filled in acting capacities due to the resignation of former principal, William E. Farrell. In May, 1985, after an extensive application and screening process, I was honored to be appointed as Principal of East Bridgewater High School, effective August 1. Successive appointments named John Barry as Assistant Principal and Gerard Linehan as Administrative Assistant. Mr. Barry and Mr. Linehan both hold a Master's Degree in Education from Harvard University. The talent and expertise that Mr. Barry and Mr. Linehan have brought to the administrative team of the High School have been invaluable in long-range planning, daily operations of the school and support and assistance of faculty, students and parents. It is the philosophy of the High School and the school administration to work as closely as possible with parents and to foster cooperation and communication between the school and the home.

Four valued members of the faculty resigned in 1985, effective at the close of the school year. We were sorry to lose the services of these experienced educators, who were also friends and colleagues: Sheila Gibbons, Thomas Lovett, Eileen Silva, and Sara Weintraub. However, the High School was fortunate, in the summer interviewing process, to obtain the services of excellent teachers to fill these staff positions. New to the High School this year are: William Altieri, Salem State College (Industrial Education); Judy Childress, North Carolina State University (English); and Barbara Nelson, Cornell University (Mathematics). Miss Karen Kelly, a graduate of the University of Massachusetts and Bridgewater State College, began the year as a teacher of English in a provisional position. For unexpected medical reasons, it was necessary that she resign and Mrs. Johanna Ryan, a graduate of Marymount College and Fordham University, was selected for that teaching position.

Other staff changes resulted from the retirement of Barbara Benson as a High School Main Office Secretary, after twenty years of exceptional service, and the resignation of Mary Sue McGrath as part-time Music Secretary and Beverly Wolfe as the Teacher Aide. Mrs. McGrath was selected to replace Mrs. Benson, and Mrs. Deborah Smith was appointed as the Teacher Aide. Mrs. Wolfe was appointed to a new position as part-time Athletic Secretary, and Mrs. Anne Bezio became the part-time Music Department Secretary. We are pleased to retain such qualified and competent personnel.

The High School was united with the school community as we shared our grief upon the tragic death of Mrs. Peggy Ross, our High School Library Assistant. The Ross Memorial Fund which has been established will perpetuate the ideals of the Ross family.

The focus of the High School goals is the curriculum and the instructional program. While there is much to be done for continued improvement and development in this area, our students receive a quality education as is evidenced by the admission of 62 seniors to 35 different schools, colleges, and universities. The year 1985 was the second year of midterm and final examinations for all students at the High School. This is one way in which the emphasis on the educational program is placed on academic achievement. This was also the second year of a computerized system of grade reporting and weighted class rank.

This past year saw the inception of the self-evaluation process for the decennial accreditation. The New England Association of Schools and Colleges will evaluate the

High School on March 9-12, 1986, through the services of a visiting team of educators. All aspects of the High School program, such as curriculum and instruction, staff and administration, building facilities, student activities, and special services, will be reviewed. Staff in-service time has been devoted almost exclusively to the intense, written self-assessment that provides in-depth information and material for the visiting team. The entire procedure requires 10-12 months of preparation and much hard work on the part of the staff. We are especially indebted to Claire Howard and Virginia O'Kelly, who have served as co-chairpersons of the Steering Committee, and who have volunteered many hours of effort for the self-evaluation. The final report of the New England Association of Schools and Colleges will be made available to the community.

This past year also saw the development of a third computer lab to be used for Word Processing in the Business Education Department. The equipment for this computer lab was obtained through a federal grant as was funding for an alternative program entitled "Project Employ." Project Employ provides pre-vocational exploration and job counseling for special education students and others who are a potential high risk for employment. Two new staff members were added as a result of this grant, William Romaniecki and Fred Ruehrwein. This grant is administered cooperatively with the West Bridgewater Public Schools. Mr. Romaniecki and Mr. Ruehrwein have enlisted the support of local businesses and employers in conjunction with the services of Project Employ. The High School is very appreciative of the cooperation that has been received from employers in finding jobs for students and in working with the school to provide a true school-community program with the potential to benefit the town as well as the students.

The Special Education Program of the High School was enhanced by the moving of Mr. Vincent Mitchell's ungraded class from the Middle School to the High School. These exceptional young people are positive contributors to the High School environment.

Co-curricular activities continue to be a source of pride for students, families, the school, and the community. In the fall of 1985, the Viking Marching Band and Color Guard achieved distinction as the New England Scholastic Band Association Field Competition Champions, Division III. Daniel Lasdow, Director of Music, continues to bring out the full potential of our student musicians who have excelled in performance and competitions throughout the year. Other accomplishments of the Viking Band were: M.I.C.A. State Marching Band Championship, Class AA; Massachusetts State Parade Championship, Div. III; and New England Parade Championship, Div. III.

The East Bridgewater Athletic Program enjoyed a successful year with a high level of participation in all sports. The Baseball Team qualified for state tournament play for the second straight year. The Boys Track Team was second in the South Shore League, small school division. The Football Team saw the culmination of their season with a co-championship in the small school division and the best overall record in the South Shore League. The Athletic Program continues to have excellent coaching and leadership, under the direction of Judith Kraemer, Athletic Director.

As Student Activities Coordinator, George McCabe is the spirit of student activities at the High School. The Student Senate, Key Club, and class advisors organize and sponsor many worthwhile events with Mr. McCabe's assistance and direction. Countless hours are put in by the Student Activities Coordinator to arrange the Red Cross Bloodmobile, Halloween Party for pre-school children, Pancake Breakfast, and the distribution of holiday dinners to those in need. The High School is fortunate in having dedicated coaches and advisors, as well as the commitment of Miss Kraemer, Mr. Lasdow, and Mr. McCabe.

The Drama Club produced an outstanding musical performance of "The Wiz." Students who excelled in the starring roles were: The Wiz, Russell Kenn; Dorothy, Jessica Jaquith; Scarecrow, John Dupuis; Tin Man, David Repeta; and the Cowardly Lion,

David Dupuis. The supporting cast, led by Shannon Dalton and Lee Anne Metz, was equally impressive. A new Drama Club Advisor, Miss Marilyn Guarino, has plans under-way for the traditional favorite, "Oklahoma," to be produced this coming spring.

An effective and noteworthy campaign to gain support for the "Students Against Drunk Driving" (S.A.D.D.) Chapter was organized by the Administrative Assistant, Gerard Linehan. There was an active safe prom program, assemblies, pledges, and publicity aimed at promoting driving safety.

A Parents Discussion Group was organized to meet in informal sessions each month with the Principal and Assistant Principal. These sessions are open to any interested parent or community member and the topics for discussion are selected by the group. In the meetings held to date, topics discussed have been: The Human Sexuality Unit of the Health Education Program, awareness of drug use and abuse, adolescent suicide, Program of Studies, and S.A.T. testing. It is hoped that this group of highly motivated parents will form the nucleus for increased school-home communication.

A Faculty Advisory Council was also organized at the onset of the 1984-85 school year. This group of faculty representatives meets monthly with the Principal to discuss mutual concerns, plans, and goals for the High School.

Highlights of the 1985 school year were:

- Successful Homecoming 1984, with Denise Cooper selected as Homecoming Queen.
- Commendation in the 1985 National Merit Scholarship Program received by Kristin Ramsden.
- Successful achievement test scores in the Science Research Associates testing program, especially for Grade 9 students.
- Second Annual Academic Homecoming with alumni meeting with students and School Committee.
- Boston Globe Scholastic Art Gold Keys awarded to Becky Roberts, Brad MacPherson, and Stephen Prygoda.
- Extension of the Chapter I Program to provide services for all eligible students, Grades 9-12.
- Denise Cooper selected to receive the Sherman Starr Human Relations Award.
- Christine Battaglia and David Giordano selected to attend the Massachusetts Advanced Studies Program at Milton Academy.
- Basic Skills testing in math, writing, and listening skills.
- Conversion of outdated language lab to a business computer lab.
- Nancy Andrews, Tracy Solari, and Kathy Reardon named as Commonwealth Scholars and recipients of \$1,000.00 awards.
- Annual Financial Aid Program was held in January.
- The Fifth Annual Music Banquet catered to a capacity crowd of 300 students and families.
- Eighth Grade Parents Orientation held on March 4, 1985, organized cooperatively with High School and Middle School administration and guidance.
- The grant award for Project Employ, an alternative educational program.
- Organization of S.A.D.D., Students Against Drunk Driving Chapter.
- Michelle Smith awarded first prize in the Massachusetts Temperance League's statewide essay contest.
- East Bridgewater High School students, Bruce Fuller, Kolleen Reardon, and Susan Sullivan were selected to attend the New England Junior Science & Humanities Symposium at the University of Massachusetts.
- The Class of 1986 volunteered, during April vacation, to assist custodians with

maintenance projects and received Boston television coverage.

- Participation of students in Project Contemporary Competitiveness.
- East Bridgewater Pops Concert, "Swing Into Spring," presented in the gymnasium on March 22, 1985.
- Suicide sensitivity in-service program presented for faculty and Parent Discussion Group.
- Completion of the sealing and repainting of the track.
- Students Against Drunk Driving assembly featuring guest athletes from the Celtics, Patriots, and Boston College.
- The Class of 1985 successful Senior activities: the Senior Prom held at the Sheraton-Mansfield, the Senior Banquet held at Christo's II restaurant, and Class Day at the High School.
- Class Day 1985 featured a "We Are The World" theme and raised funds for African famine relief.
- The Baccalaureate program for the Class of 1985 was held on June 5, and Commencement exercises took place on June 9, 1985.

I would also like to express my appreciation to Mr. Mitchell and the East Bridgewater School Committee for their leadership and support and their efforts on behalf of the school children of East Bridgewater. The High School is also grateful to Dr. Eileen Williams and Mr. Richard Achin for their assistance, cooperation, and concern for quality.

I would also like to thank the other town departments who work cooperatively with the High School throughout the year, especially the East Bridgewater Public Library, and Mrs. Anne Hynes, whose devotion to students and learning know no bounds, the Fire and Police Departments, and last, but not least, my gratitude is extended to Mr. Barry and Mr. Linehan and the High School Faculty for their conscientious commitment to the High School, which can best be evaluated by the achievements and success of our graduates.

Respectfully submitted,

Judith A. Riordan

A School Committee Reception, hosted by the East Bridgewater High School Student Senate, will follow in the cafeteria for parents, guests and graduates.

Report of the Athletic Director of the High School

Dear Mr. Mitchell:

I hereby submit my report for the year 1985.

I am happy to report that 1985 was a successful year for the athletic programs at East Bridgewater High School with 462 participants in the 15 sports which were offered. Our teams and individual athletes continue to gain recognition and honors for their performances and athletic achievements.

Highlights of this year included:

- The Viking football team being crowned Division 2 Champions of the South Shore League with a record of 7-1-1, the best overall record in the entire league.
- The baseball team winning 8 games in a row and 9 out of the last 10 games of the season to qualify the 2nd year in a row for the South Sectional Tournament.
- The boys' track team finishing with a season record of 8 wins and 2 losses.
- The resurfacing of the track facilities which contributed to the successful track program.
- The girls' basketball team being crowned runner-up in the Bettencourt Memorial Holiday Tourney.

The following students were named to South Shore League All-Star Teams:

Basketball—Eamon Kingman

Baseball—Russ Kenn, Eamon Kingman, Derrek Tom

Softball—Michelle Wall

Soccer—Tom Williams, Eamon Kingman, Scott Ringuette, David Floeck, Bruce Denneen, Michelle Corbett, Nicole Holyoke, Maureen McManus

Field Hockey—Debbie O'Kelly, Michelle Smith

Football—Richard Cutcliffe, Mike Sweeney, Rob Kenn, John Capachione, Tony Morey

Individual honors and records were set by the following students for track and field:

- Matt Shea setting a Class D record in the 100 meters
- Bob Wilbur winning the triple jump in the South Shore League Principals Meet
- Jim Madden, undefeated in the shot put in South Shore League Competition
- George Dixon also undefeated in league competition in the 440 and 400 meter events
- Patti McCarthy, setting a school record in the 330 hurdles
- Kathy McLaughlin, setting a school record for the triple jump

Additions to the coaching staff included: Al Smith, basketball and baseball; Joseph Cotton and Cynthia MacDonald, softball; Laurie Griggs and Jackie Everidge, soccer; and Ross Muscato, cross country.

Many thanks to the following for volunteering their time and effort to the athletic program: Mary Ahern, Helen Kingsley, William Andrews, Paul Chapman, Ralph Mosher, Bill Moorer and Bob DeChristopher. Thanks also to the many parents and friends who, as members of the Viking Sports Parents Organization, volunteer their time and energies to the Athletic program at East Bridgewater High School.

Respectfully submitted,

Judith A. Kraemer
Athletic Director

Report of the Director of Music

Dear Mr. Mitchell:

The Music Department is pleased to submit its annual report for 1985.

I wish to commend our fine staff of music educators for their hard work this past year. Mrs. Mary Wilcox has done an outstanding job developing the vocal music program, grades 5-12. The musicianship displayed by her students is excellent. Mrs. Wilcox gives freely of her time to work after school and evenings preparing her students for auditions and performances, and she maintains the highest professional standards in her teaching and conducting.

Mr. John Fantucchio is a source of inspiration and motivation for our Middle School instrumental students and constantly challenges them to reach their capabilities and to develop their skills. Mr. Fantucchio's work with the High School Jazz Band is excellent, and he has begun a Middle School jazz group this year as well.

Mrs. Mary Anne Rebhan has completed her first year as Central School music teacher. Her wealth of musical experience enables our students to receive the very best instruction in the classroom, chorus and recorder groups. Mrs. Rebhan's original musical plays performed by the students add a great deal to the artistic environment at Central School.

Mr. Richard Burke and Mr. Russell Battista have completed their second season working with the marching band and color guard and have contributed greatly to the success of these groups.

Under the leadership of Mr. William Andrews, the Music Parents Association continues its support of the music program through various fundraising projects and support services. The many services provided by the Association include funds for consultants to work with the marching band program; accompanists for the choruses at each concert; the purchase of a sound system, complete with microphones, amplifier and speakers for the Jazz Band and Show Choir; festival fees for students accepted to SEMSBA, District and All State; transportation to various activities; music award jackets; an awards banquet; musical equipment and uniforms. The Association is presently trying to raise \$24,000 to send the Band, Chorus and Color Guard to Washington, D.C. in April.

An outstanding awards banquet was held at Ridder's Country Club in February with Professor George Parks from the University of Massachusetts, Amherst, as the guest speaker. The Music Parents Association presented award jackets to qualified students at this banquet.

The annual Pops Concert was again sponsored by the Music Parents Association. Thursday evening's performance for the senior citizens served as a dress rehearsal. Friday evening's performance was held in the gym with a capacity audience in attendance. The Show Choir and Jazz Band were featured, as well as the cast and orchestra of THE WIZ.

The Winter Color Guard had a successful season under the direction of Mr. Battista and placed third in the finals held at Andover High School. The Music Parents Association once again sponsored a NESBA Color Guard Contest in the High School gym in March.

Student participation in local and state music festivals is high. Students are accepted, through audition, to participate in band, orchestra or chorus. Being selected is a great honor and indicates that these students are among the best in the state. The hard work of the students, the efforts of Mrs. Wilcox and Mr. Fantucchio to prepare their students, and the quality of private instruction available after school are directly responsible for this success.

Students selected to the state and local festivals were:

ALL STATE FESTIVAL—Algonquin Regional High School

Band— Nancy Andrews

Chorus— John Horigan, Steven Snelgrove

HIGH SCHOOL SOUTHEAST DISTRICT FESTIVAL—Hingham

Band— Sandra Higgins, Nancy Andrews, Cynthia Putt, Corinne Putt, Keith Elder

Chorus— Jessica Jaquith, Lee Anne Metz, John Dupuis, Chris D'Olimpia, John Horigan, Steven Snelgrove

Orchestra— James Doyle

JUNIOR HIGH SCHOOL SOUTHEAST DISTRICT FESTIVAL—Milton

Band— Carol Christensen, Charlette Bennett, Jennifer Roscoe, Marc Bacon, Mary Anne Domer, Thomas Scott, Scott Berry

Chorus— Christin Piver, Heidi Grabau

HIGH SCHOOL SEMSBA FESTIVAL—Oliver Ames High School

Band— Lisa Berry, Sandra Higgins, Richard Malinowski, Mary Weidenfeller, Laurie Ravida, Eric Lombardi, Corinne Putt, Cynthia Putt, Bruce Fuller, Keith Elder

Chorus— Donna Beaman, Shannon Dalton, Melissa Knight, Jennifer Roscoe, Lee Anne Metz, Brian Mazzoli, John Dupuis, Steven Snelgrove, Chris D'Olimpia, David Repeta, Edson Leland

Orchestra— John Horigan, James Doyle

JUNIOR HIGH SCHOOL SEMSBA FESTIVAL—Middleboro

Band— Jennifer Thomas, Megan Scott, Stephanie Hrenko, Marc Bacon, Alexander Graziano, Angela Lewis, Nicole Hunter, Paul Kofton, Timothy Domer, Matthew Hickson

Chorus— Susan Giordano, Kimberlee LeMoine, Melissa Brown, Sandra Bjorkman, Christin Piver, Brenda Thompson

Twenty-two selected students participated in the Tri-County Choral Festival at Fairhaven High School, which also featured the East Bridgewater High School Show Choir in performance.

Special recognition should be given to Mrs. Mary Wilcox for her work with special needs student, Sandra Bjorkman. Sandy auditioned and was accepted to the Junior High School SEMSBA Festival. Mrs. Wilcox has made it possible for Sandy to participate completely in the vocal music program at the Middle School and has prepared her musically and otherwise to successfully go through the audition process. This is another example of the value of music education in the public schools as an important part of the school curriculum, and it is also a wonderful example of dedication, professionalism, warmth and caring on the part of Mrs. Wilcox.

Thirteen students participated in the NESBA Honors Band which performed in the annual St. Patrick's Day Parade in New York City.

Student interest in performing solo and small ensemble music continues to be high with outstanding performances in the Student Recital and Senior Recital programs at the High School.

The High School musical, *THE WIZ*, and the Middle School musical, *LITTLE MISS CHRISTIE*, were presented this past year under the musical direction of Mrs. Wilcox. Successful spring and Christmas concerts were presented by all schools.

The Viking Band performed in the Jimmy Fund Day Parade, the Memorial Day

exercises, the Veterans' Day Parade and the Soccer Parade as well as the second Old Tyme Fall Festival, which was sponsored by the Music Parents Association and the Viking Sports Parents.

The High School Band participated in a one-day exchange concert with Triton Regional High School in Byfield, MA. East Bridgewater visited Triton on April 30 and Triton performed in East Bridgewater on May 2. Our students were guests of the Triton families for dinner, and we did the same when Triton visited East Bridgewater.

The American Choral Directors Association (ACDA) Choral Festival was held at East Bridgewater High School on May 11 with thirteen choruses competing in three classes. East Bridgewater was second in its class with a Division II rating.

The Show Choir traveled to Newport, R.I. for competition in the Heritage Music Festival. The group received a second place award.

Professor Walter Chesnut of the University of Massachusetts, Amherst, presented a band clinic on February 5 for all instrumental students in grades 5-12. In April, a choral clinic was conducted by Dr. Wayne Abercrombie, also from the University of Massachusetts, Amherst, for the High School Chorus.

The Save Our Steinway Committee (SOS) reached its goal of restoring the Steinway Grand Piano in the High School Auditorium. Loretta Ring, Chairperson of the committee, is to be commended for her hard work in reaching this goal. With her leadership, the committee was able to raise \$5,000 for the complete overhaul and rebuilding of this valuable instrument. Walter Woitasek of Brockton did the work on the piano. Thanks to Mrs. Ring, the Town of East Bridgewater has a beautiful musical instrument which should last for many years. A concert to dedicate the piano was held in November. Lucy Gotschall Ingram and her husband, Dr. Henry Ingram, performed as featured artists on the program.

The Youth Concert Program at Symphony Hall continues to be popular with our students. Mrs. Joan Leland, Town Chairperson, assisted by Mrs. Lois Turner, organizes the concert series for elementary and high school students. The concerts, presented by the Boston Symphony Orchestra, are excellent musical experiences for all in attendance. This year we have 70 elementary and 35 high school students participating. The following area businesses have given financial support to the program in order to enable more students to enjoy these concerts: Alexander and Son Automotive; Dick Anderson Real Estate, Inc.; Beaver Nursery, Inc.; Richard Brodeur, DMD, PC; Commercial Club of East Bridgewater; Bob Doherty Pools and Spas; M. Clifton Edson and Son, Inc.; Florio's Barber and Styling Salon; Forni Bros. Oil, Inc.; Joppa Grille; Kiwanis Club of East Bridgewater; Lions Club of East Bridgewater; Robert E. McCarthy, Attorney at Law; Irene Nardi; Edward Reddish of Northern Disposal, Inc.; Precise Engineering, Inc.; Revolutions Styling Salon; Shaw's Supermarkets, Inc.; Val's Hairstyling; Village News and Coffee Shop, Inc.; Westdale Realty; Whitmarsh Farms, Inc.

A Night of Appreciation was held for the Viking Band and Color Guard in December to congratulate the students on their success this past fall in NESBA competition. Presentations were made to the students by Senator Edward Kirby, East Bridgewater Board of Selectmen Chairman, Eric Greene, and by representatives of Governor Michael Dukakis and Congressman Brian Donnelly. The music program is a source of great pride for the Town of East Bridgewater. The High School Viking Band and Color Guard currently hold the distinction of being Massachusetts State and New England Field Competition Champions as well as Massachusetts State and New England Parade Champions.

The music program affects the quality of the entire community. East Bridgewater has received local, regional and national recognition through the accomplishments of its student musicians. Through a variety of musical experiences, students of all grade

levels develop qualities of self-discipline, pride, poise, confidence and teamwork. They work toward and reach goals. They develop time management techniques, musical talents and life-long skills. The Town has established a tradition of pride in its music program and in its young people who take part.

Respectfully submitted,

Daniel A. Lasdow
Director of Music

Report of the Director of Physical Education

Dear Mr. Mitchell:

The physical education program consists of those courses and activities designed to help meet the physical and recreational needs of students.

Both present and future physical needs of students are met through: 1.) participation in a wide variety of physical activities that will lead to the development of coordination, strength, motor skills and endurance; 2.) participation in a variety of physical activities having continuing lifetime values; and 3.) experiences designed to develop knowledge, understanding and attitudes which result in desirable practices necessary to maintain physical, social, emotional and mental health.

The dedication of the Physical Education Department may best be explained in the following areas that exemplify the philosophy, attitude of the staff and the curriculum.

Physical Education as an integral part of the student's total education is concerned with all aspects of the individual's development.

The level of participation by students at each of the schools was at the highest rate ever in 1985.

The curriculum was highlighted by mini courses at the Central School where fourth graders participated in such activities as physical fitness, roller skating, aerobic fitness and bicycle riding.

At the Middle School, the bowling and touch football championships held at the end of each unit were very popular with the students.

Open house in the fall at the Central School found the gym to be the most popular place where students could show parents some of the equipment used in the classes.

The emphasis on enjoyment of physical activities, not on competition, best describes the annual field days at the Central and Middle schools.

Students from the High School, assisting in the field activities for grades 4-8, gained valuable experience in leadership as well as the third and fourth graders who assisted in the first, second, and kindergarten field days.

Intramurals have become an important extension of our physical education program.

The survey of student interest in intramural participation at the High School indicated that 188 students would like to be involved in the program.

Floor hockey has entered its sixth season at the Middle School. The program continues to be a tremendous success with 111 students enrolled in grades 5-8. The unit will be highlighted with a student-faculty game. Eighth grade participants are selected for their sportsmanship, attendance and skill.

The Central School intramural program of floor hockey, basketball and swimming continues to be ever popular.

Meanwhile, the department for the past years has seen financial limitations where the curriculum at each of the schools has been reviewed and adjustments made so as not to decrease significantly the quality of our physical education programs.

Therefore, as I look upon the modifications in the program, it reflects that increases are necessary in the budget and the curriculum for students to reach the level of maturity for a satisfying and active life so as to meet the challenges of today's society.

Respectfully submitted,

Vincent J. Malewicz
Director of Physical Education

Report of the Director of School Food Services

Dear Mr. Mitchell:

The School Food Service continues to offer the students of East Bridgewater a high quality, nutritious and appealing midday meal at the lowest price possible. This past year we have purchased a truck for the program that enables us to pick up the government commodities and transport supplies from one school to another when needed.

Participation has remained stable in our lunch, brunch and a la carte programs. The Middle School is continuing to offer lunches to the elderly once each week; the charge for these lunches has remained at \$.50.

Bids for the year were awarded to the following companies: Henrikson's Dairy of Abington; Nissen Baking Co. of Lynn; Peggy Lawton Kitchens, Inc. of Walpole; McCarthy Bros. Ice Cream of Whitman; Leslie Food Specialties, Inc. of Hanover; Drake Bakeries of New Jersey; Al Feldman of Randolph and Bostonia Beverages of Brockton.

I would like to thank and wish a long and happy retirement to Arlene Hill who retired from the Central School staff after seventeen years of dedicated service. I would also like to express my appreciation to Mrs. Mormino, Mrs. Curley, Mrs. O'Day and their staffs, Mr. Mitchell, Mr. Achin, the building principals and the students of East Bridgewater for the cooperation and understanding during the year.

Respectfully submitted,

Ann Sullivan
Director of School Food Services

Report of the Director of Evening Practical Arts

Dear Mr. Mitchell:

It is with pleasure that I submit my first annual report as Director of the Evening Practical Arts Program.

The fall session was operated under the same basic organization as in the past under the direction of Francis Hallquist, who retired after the winter session of 1985.

After a late start because of Hurricane Gloria, the fall classes were started by a very enthusiastic group of men and women. Two hundred fifty-four adults registered to take advantage of the courses available—and to socialize with others with similar interests, and for creative use of leisure time.

New courses offered this year were Fly Tying and Basketry, both of which proved to be very popular. Several more new courses are planned for the upcoming year.

I would like to take this opportunity to express my appreciation for the assistance and cooperation to all who participated in carrying out the Evening Practical Arts Program.

Respectfully submitted,

Dorothy Miksch
Director of Evening Practical Arts
